Integrating Children's Literature through the Common Core State Standards Rachel L. Wadham, Terrell A.

Young, 2015-07-28 Implementation of the Common Core State Standards with the integration of children's literature can transform teaching and learning into a holistic and engaging experience Tackling nearly every aspect of the English Language Arts Standards and the measures they employ it offers a thorough plan for engaging elementary school students with literature It explores the benefits and teaching principles behind CCSS and explains how to apply them to literature Along with the strengths it has in connection to CCSS you will learn about the history of children's literature and what both fiction and nonfiction bring to the classroom You will find plenty of practical applications of the CCSS including book lists and lesson ideas along with thorough examples There is also a wealth of information on the kinds of readers you will encounter and explanations of how to meet their needs A final section focuses on creating a curriculum connecting the theory throughout the book with concrete lessons plans and units that cover the main CCSS skill sets Multicultural Literature

for Latino Bilingual Children Ellen Riojas Clark, Belinda Bustos Flores, Howard L. Smith, Daniel Alejandro

González, 2015-11-25 While there are volumes that fall into the category of children's literature there appears to be relatively few that explore the needs of bilingual learners and the linguistic and sociocultural context of Latino children's literature This volume makes a needed contribution by addressing the social cultural academic and linguistic needs of Latino bilingual learners who are still underserved through current school practices We aim to conceptualize different forms of social knowledge so that they can serve as cultural resources for learning acquiring knowledge and transforming self and identity This volume presents a balance of theory research and practice that speak to authentic multicultural Latino literature and helps ensure its availability for all students The intended outcome of this volume then is to create a heightened awareness of the cultural and linguistic capital held by the Latino community to increase Latino students social capital through the design of critical pedagogical practices and for the formulation of a new perspective that of Latino multicultural literature for children
