Over-Tested and Under-Prepared Bob Sornson,2022-11-23 Pressured by standardized testing and rigid pacing guidelines many schools are forced to cover too much content too quickly without being able to meet the needs of individual students In this powerful book from acclaimed author and presenter Bob Sornson you ll learn how shifting from curriculum based instruction to competency based personalized learning can help students become more successful confident and engaged learners Each chapter is easy to digest and provides compelling research strategies and anecdotes to inspire conversation and action This second edition provides updated statistics and examples of schools successfully using competency based learning models to help you bring about meaningful change Teachers administrators and community leaders will all find practical resources and a clear rationale for transforming our current educational system into a new dynamic model of teaching and learning

Evidence, Politics, and Education Policy Lorraine M. McDonnell,M. Stephen Weatherford,2021-02-01 In Evidence Politics and Education Policy political scientists Lorraine M McDonnell and M Stephen Weatherford provide an original analysis of evidence use in education policymaking to help scholars and advocates shape policy more effectively The book shows how multiple types of evidence are combined as elected officials and their staffs work with researchers advocates policy entrepreneurs and intermediary organizations to develop create and implement education policies Evidence Politics and Education Policy offers an in depth understanding of the political environment in which evidence is solicited and used Two key case studies inform the book s findings The primary

case a major multimethod study examines the development and early implementation of the Common Core State Standards at the national level and in four states California Indiana Massachusetts and Tennessee A comparative case analyzes the evidence used in Congressional hearings over the twenty year history of the Children s Health Insurance Program Together the two cases illustrate the conditions under which different types of evidence are used and in particular how federalism the complexity of the policy problem and the policy s maturity shape evidence use McDonnell and Weatherford focus on three leverage points for strengthening the use of research evidence in education policy integrating research findings with value based policy ideas designing policies with incentives for research use built into their rules and organizational structures and training policy analysts to promote the use of research in policymaking venues

Assessing Academic Literacy in a Multilingual Society Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience
