Lionel Raconte Jospin Entretiens Avec Pierre Favier Et Patrick Rotman

Robert Gildea

Lionel Raconte Jospin Entretiens Avec Pierre Favier Et Patrick Rotman:

Lionel raconte Jospin Lionel Jospin, Pierre Favier, Patrick Rotman, 2010 *France Since 1945* Robert

Gildea, 2025-06-06 Robert Gildea presents an ambitious and wide ranging but succinct history of France from 1945 to 2024 which seeks to provide a sympathetic understanding of the forces that have shaped a country that is so close to Britain and yet so different This third edition following the second in 2002 and first in 1996 takes into account twenty more years of French history history writing and changing historical approaches notably in colonial history and gender history France Since 1945 explores France's bid to restore political stability and international greatness after the Second World War which was marked by defeat and occupation and the loss of greatness and crisis of democracy that began in the 1990s These chapters are interleaved by eight thematic chapters on the legacy of the Second World War and the Algerian War which arguably continues in France to this day on the economy and society on French culture and on gender and sexuality

Twilight of the Elites Christophe Guilluy, 2019-01-08 A passionate account of how the gulf between France's metropolitan elites and its working classes are tearing the country apart Christophe Guilluy a French geographer makes the case that France has become an American society one that is both increasingly multicultural and increasingly unequal The divide between the global economy's winners and losers in today's France has replaced the old left right split leaving many on the periphery As Guilluy shows there is no unified French economy and those cut off from the country's new economic citadels suffer disproportionately on both economic and social fronts In Guilluy's analysis the lip service paid to the idea of an open society in France is a smoke screen meant to hide the emergence of a closed society walled off for the benefit of the upper classes The ruling classes in France are reaching a dangerous stage he argues without the stability of a growing economy the hope for those excluded from growth is extinguished undermining the legitimacy of a multicultural nation *L'opium des élites* Aquilino Morelle, 2021-09-22 Raymond Aron avait analysé en son temps l'emprise du communisme sur les esprits dans L'opium des intellectuels Et si l'opium des élites tait aujourd'hui l'europhisme On nous endort tous les cinq ans en nous promettant des lendemains qui chantent alors que les vrais choix politiques ont tordu s'il y a plus de trente ans Et n'ont jamais expliqué aux Français auxquels on a au contraire raconté des fables l'énigme La gauche devrait elle opter pour l'Europe contre le socialisme ou pour le socialisme contre l'Europe s'interrogeait François Mitterrand dans une longue tribune publiée dans Le Monde en 1968 Eh bien c'est précisément François Mitterrand une fois Président qui avec le tournant de mars 1983 puis l'Acte Unique européen de 1986 a fait prendre la France puis l'Europe entière le chemin du fédéralisme De sorte que loin d'être un bouclier contre la dérégulation comme il nous a trompé l'Europe fut la matrice puis le vecteur de la mondialisation libérale Mieux ou pire ce sont les Français qui ont tiré les chevilles ouvrières du néo-capitalisme financier les anglosaxons ne faisant que s'engouffrer dans la brèche que nous avons nous-mêmes ouverte avec Fabius et Beregovoy au pouvoir en France Delors et Lamy la tête de la commission européenne Chavranski l'OCDE Trichet la Banque centrale européenne BCE

Camdessus au FMI et Lamy l'OMC Organisation Mondiale du Commerce La civilisation européenne tait supposée reposer sur l'état plus l'état Nation plus l'état de droit plus l'état Providence Or l'état perd son pouvoir l'état Nation est voué aux gémonies au profit d'un fédéralisme hors sol qui s'apparente une religion politique et l'état Providence fut sacrifié jusqu'au point où il en coûte de Macron sur l'autel de la rigueur Maastrichienne Cela s'appelle l'abdication d'une démocratie selon la belle mise en garde de Pierre Mendès France L'abdication d'une démocratie la dilution de tous les pouvoirs une autorité extérieure laquelle au nom de la technique exercera en réalité la puissance politique Résultat aucune majorité présidentielle ou parlementaire n'a été reconduite en France depuis 1983 le FN est passé de 0,8% des voix plus de 25% le pouvoir régional paraît illégitime ou impuissant et ce que les lites appellent le populisme gronde On connaît la formule de Georges Bidault ministre des Affaires étrangères en 1953 Faire l'Europe sans défaire la France Nous avons défait la France en catimini au nom de l'Europe sans pour autant parvenir faire l'Europe démocratique qu'attendent les peuples et pour laquelle plaide l'auteur Nous avons en somme perdu sur les deux tableaux Un sursaut est possible après une analyse au scalpel de la décomposition française première partie et une déconstruction non moins rigoureuse de l'idologie européenne deuxième partie c'est quoi se consacre la troisième partie de cet ouvrage Un essai politique de fond puisant aux meilleures sources françaises et internationales puissant et argumenté qui fera date tant il remet en cause les opinions convenues *Les études de la Documentation française*, 2010-07

Un temps troublé Lionel

Jospin, 2020-09-03T00:00:00+02:00 Ce livre est politique Le lecteur y trouvera des rappels historiques des analyses économiques des réflexions sur la société et sur la réalité internationale Mon regard porte sur la vie politique et ses forces il s'élève vers le sommet de l'état où plus que jamais le pouvoir se concentre et il embrasse les craintes les colères et les espérances des citoyens Membre du Conseil constitutionnel pendant quatre ans j'ai scrupuleusement respecté la neutralité et la réserve de celui qui avait revêtu symboliquement s'entend la toge du juge constitutionnel Quand j'ai retrouvé en 2019 ma tenue de citoyen et ma liberté de parole j'ai entrepris d'écrire ce livre Le paysage politique de notre pays avait changé J'ai voulu comprendre pourquoi et comment J'ai aussi observé ce qui en résultait non plus comme un acteur mais comme un témoin Que s'est-il passé en 2017 Où en sommes nous en 2020 Quelles perspectives s'offrent pour 2022 La promesse chimérique d'un nouveau monde est restée lettre morte Notre pays est loin d'adhérer ce qu'on lui propose aujourd'hui un néolibéralisme orné de progressisme Nous vivons un temps troublé J'examine aussi trois confrontations mondiales mes yeux dévisagent pour notre avenir commun entre la démocratie et le despotisme entre les migrations et les nations entre l'expansion de l'homme et la sauvegarde de la vie sur terre La postface de ce livre est consacrée à la pandémie qui en cette année 2020 a bouleversé le monde Lionel Jospin
