**Papa Joe's Kitchen Table** Joe Marziano, 2015-08-04 This is more than a cookbook. Yes, it contains 216 pages with 160 recipes along with many helpful hints, internal temperature guide, ounces to cups conversion chart, and much more. It is also the story of a 19-year-old and his dream and accomplishments. We hope that you enjoy cooking some of the recipes as much as we enjoyed writing the book. We also hope that you enjoy cooking with your family, especially with your children, and they grow up with the same fond memories of their childhood in the kitchen with their family as we have. It seems that today families do not spend enough quality time with their children. When I was growing up, I had to be home and at the dinner table at 5:00 or else. Make dinner time fun for your children and look forward to it every day. Maybe a few of you have a dream of opening a restaurant, and after reading this book, you will take the plunge and open a restaurant. It was not easy in 1964, and it is not easy today, but when you succeed, it will be worth it. We would like to hear from you and answer as many questions that we can. Just go to our web site [www.papajoeskitchen.com](http://www.papajoeskitchen.com) and we will respond to as many as we can.

**Aunt Alice's Goodies** Alice Stevens, 2008-10 One day I started to crave peanut butter cookies the way my mother made them. Then weeks later I had a dream about the hard fudge we used to make back in the 1950s when I was growing up on the South Side of Chicago. And whatever happened to mayonnaise cake? My psyche was trying to tell me something. And this book is the result. What my psyche has called me to do is gather my goodies into this cookbook to pass on the recipes that my family members have used for their celebrations through many decades of the 20th century. I reviewed my dog-eared, batter-splattered recipe cards with all the chicken-scratched handwriting and decided it was time to commit.

these treasures to digital format I want the next generation to delight their children and their children s children with these old comfort sweets including home made hard fudge mayonnaise cake pecan tarts and prize winning blueberry pie This is a part of my culture that I don t want to loose in the frenzy for thin So here they are my humble offerings Indulge delight and good night
