Know Peace Within:

Peace Within Shirley Horn, Janet Manning, 2006-06 From the Forward by Thomas Shepherd Peace Within introduces new voices to the world of spiritual literature All the stories poems and spiritual journeys you will encounter in this volume have a common denominator each contributor was willing to risk whatever it took to find balance and harmony in their lives expressed in the simple phrase Peace Within Although life may not always be joyful people who find that axis of spiritual integrity within and stay centered upon it soon discover that nothing which happens in life can disturb their peace Now more than ever humanity needs to grow up to enter a new phase of life Our new millennium requires a renewed consciousness of the potentiality within every sentient being The search for new consciousness has found some guiding voices in the book you hold in your hands In this profound collection of stories learn how each author has found a deep sense of inner peace often in the face of extraordinary circumstances Your mind and heart will be quickened as you read these stories of courage and commitment May you find that peace is contagious and may you catch it here Wayne Manning Life and Business Coach Manning Consulting Auburn CA Each story has an unmistakable sense of peace love and joy in some mixture and balance Each person found their own way to this treasure in their own timing Their stories are not only inspiring and informative they are critical to our future M Marylou Palmer Certified Transitional Ministry Specialist Unity of Beaverton OR
