Amanda L. Golbeck

Maths June Exam Paper Matric 2013:

Homeschooling High School Shirley Erwee, 2014-08-28 Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers They need information and answers to their questions And with the current educational and unemployment problems in South Africa young people need clear direction and guidance to help them achieve their goals In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system Homeschooling High School also challenges readers to rethink their values particularly the value they place on certification and to consider some unconventional or alternative paths to success In a clearly presented format the book includes advice on legal matters identifying appropriate courses sourcing study material tips on entrepreneurship financing tertiary studies and the testimonies of successful homeschooled graduates Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond

Florence Nightingale David Amanda L. Golbeck, 2025-02-27 This book examines Florence Nightingale David s life contributions and relationships throughout her life as well as her subsequent legacy Florence Nightingale David 1909 1993 was the first woman professor in the world s first academic statistics department served in various British ministries during the war from 1939 1945 and was one of the first women to chair a statistics department in a research university In this biography the life stories of David are used as a vehicle to explore a variety of questions surrounding culture and engagement in the statistical sciences What does it take to succeed in an environment that is not inclusive of your demographic How can stories be used to bring technical material to life for students and other learners And how can a nontraditional leader succeed in challenging boundaries and moving an enterprise forward
