**Shampoo Making** Argena Hall,2015-05-14 Create Your Own Delicious Smelling Organic Shampoos It's here You no longer have to worry about spending money on commercial shampoos you can now create your own shampoos both liquid and bars from home using these step by step instructions Shampoo making is a hobby that many women find fun and

enjoyable it's something to talk about with your girlfriends and it also has many benefits like saving you money and healthier hair. We all know that commercial shampoos are super harmful to your hair; it can strip your hair of moisture, promote split ends, and make it harder for you to manage. These healthy organic shampoo recipes will allow you to create shampoos from home easily and simply. You can give them as gifts, sell them, or use them just for the benefit of your hair. In this book, we go into how to make both shampoo bars and liquid shampoos, the benefits of using homemade shampoos, and more. No longer will you have to try and figure out if the ingredients on the back of your shampoo bottle are doing your hair justice; create your own shampoos and always know exactly what you're putting on your body. This book is very important because I know of a lot of women who gave up on shampoos because of the harshness of the wash, so instead of using conditioners as a cleanser, by co-washing you can now create shampoos that will help moisturize your hair while getting it squeaky clean.
