Balancing the Tension between Digital Technologies and Learning Sciences Dirk Ifenthaler, Demetrios G. Sampson, Pedro Isaías, 2021-02-16 This volume focuses on the implications of digital technologies for educators and educational decision makers that is not widely represented in the literature While there are many volumes on how one might integrate a particular technology there are no volumes on how digital technologies can or should be exploited to address the needs and propel the benefits of large scale teaching learning and assessment

Exploring Language Teacher Efficacy in Japan Gene Thompson, 2020-05-14 This book examines language teacher efficacy beliefs focusing on the individual and collective beliefs of Japanese high school teachers It discusses personal and collective dimensions of language teacher efficacy related to personal second language L2 capability instructional L2 efficacy and collective capability towards collaboration The book provides a detailed discussion about the ways in which these beliefs develop and situates the findings within the wider field of teacher efficacy research It helps further understanding of factors that may influence teacher self efficacy and suggests new directions for research to explore in future studies It will appeal to postgraduates and researchers with an interest in language teacher cognition the psychology of language teaching and those in the wider fields of self efficacy teacher efficacy and teacher agency It is also of use to those with an interest in the high school English education system in Japan as well as researchers investigating similar contexts

On Leadership Denver J. Fowler, Meghan B. Raehl, 2022-12-01 In *On Leadership: An Interdisciplinary Approach* editors Fowler and Raehl provide one of the most comprehensive books on interdisciplinary leadership approaches to date Contributing authors from across the nation and around the globe include individuals from an array of sectors including Education PK 12 and Higher Education Business Public and Nonprofit Organizations Government Military Law Enforcement and the Healthcare Industry With a focus on highlighting the best practices as it applies to effective leadership in any given organization the book offers a much needed analysis of what it means to lead successfully in the 21st Century and beyond Endorsements If you are looking for a cutting edge resource regarding interdisciplinary leadership I highly recommend *On Leadership* Each chapter has a rich perspective which contributes to the interplay between one's context value system level of authenticity perspectives and unique experiences I highly recommend *On Leadership* and look forward to using this in the leadership courses I teach David De Jong Dakota State University As both a scholar in school leadership and a former school leader I thought I knew just about everything about leadership but after reading this book I was delightfully enlightened about the practical application of leadership in varying contexts around the world Organized in three sections this book clearly presents the practical application of leadership through an interdisciplinary approach Fowler and Raehl provide a rich text with contributions of authors in both PK 12 Schools and Higher Education and this text would be a welcome addition to any educational leadership program Sonya D Hayes The University of Tennessee Knoxville Effective leadership development and corresponding leadership skills are not

unique to any one profession or leadership position Effective leadership transcends all professions and effective leadership is evident in all effective leaders and leadership positions Therefore On Leadership An Interdisciplinary Approach is a timely must read for current and aspiring leaders Siloed leadership development must be a thing of the past Michael Schwanenberger Northern Arizona University Undoubtedly forward thinking content that will serve as key fundamentals in the future training of leaders in and out of the educational landscape Centered on ethics and authenticity this text truly represents a wholesome approach to modeling effective leadership practices in the 21st century Alexandra Horton Former PreK 12 Educator **Teaching in Inclusive Classrooms** Diane P.
