includes a physical copy of Modern Engineering Maths 5e by James as well as access to the eText and MyMathLab Global. Your instructor will need to provide you with a course ID in order for you to access the eText and MyMathLab Global. This book provides a complete course for first year engineering mathematics. Whichever field of engineering you are studying you will be most likely to require knowledge of the mathematics presented in this textbook. Taking a thorough approach the authors put the concepts into an engineering context so you can understand the relevance of mathematical techniques presented and gain a fuller appreciation of how to draw upon them throughout your studies. MyMathLab Global is designed to improve results by helping students quickly master concepts. Specific features:

- For lecturers: Comprehensive online course content. Filled with a wealth of content. MyMathLab is available as a standalone online solution or it can be tightly integrated with the author approach of your choosing. You can easily add, remove or modify existing instructional material. You can also add your own course materials to suit the needs of your students or your department.
- Interactive Exercises with Immediate Feedback: MyMathLab's homework and practice exercises reflect your choice of approach and learning style and regenerate algorithmically to give students unlimited opportunities for practice and mastery.
- Comprehensive Gradebook: The online gradebook automatically tracks students' results on tests, homework and practice exercises and gives you control over managing results and calculating grades. View, analyse and report learning outcomes clearly and easily and get the information you need to keep your students on track throughout the course.
- For students: Adaptive Learning. Not every student learns the same way and at the same rate. Thanks to advances in adaptive learning technology we can now offer you a personalised learning journey. MyMathLab's adaptive study plan tests you up front on the key content you need to know to succeed in your course. After taking a test or quiz, MyMathLab analyses the results to provide you with personalised homework assignments so that you can focus solely on just the topics and objectives they have yet to master.
- Interactive Exercises with Immediate Feedback: MyMathLab's homework and practice exercises regenerate algorithmically to give you unlimited opportunity for practice and mastery.
- Mobile Friendly Design: MyMathLab's exercise player has been updated with a new streamlined mobile friendly design. You can access your course from iPad and Android tablets to work on exercises and review completed assignments.
