Negotiating Identities in Contemporary Africa Toyin Falola, Emmanuel M. Mbah, 2023-08-29 Negotiating Identities in Contemporary Africa Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and provide new discussions on the hitherto politicized historiography of some identities in Africa

Facing Forward Sajitha Bashir, Marlaine Lockheed, Elizabeth Ninan, Jee-Peng Tan, 2018-09-20 Facing Forward lays out a range of policy and implementation actions that are needed for countries in Sub Saharan Africa to meet the challenge of improving learning while expanding access and completion of basic education for all The book underscores the importance of aligning the education system to be relentlessly focused on learning outcomes and to ensuring that all children have access to good schools good learning materials and good teachers It is unique in characterizing countries according to the challenges they faced in the 1990s and the educational progress they have made over the past 25 years allowing countries in the region to learn from each other The authors review the global literature and add to it by their extensive new analyses of multiple datasets from more than three dozen countries in the region they integrate findings about what affects children s learning their access to schooling and progress through basic education The book draws lessons from the region and for the region about what works and what is needed to better implement what is known to have worked The book examines four areas to help countries better align their systems to improve learning 1 completing the unfinished agenda of reaching universal basic education with quality 2 ensuring effective management and support of teachers 3 targeting spending priorities and budget processes on improving quality and 4 closing the institutional capacity gap It concludes with an assessment of how future educational progress may be affected by projected fertility rates and economic growth
