1 Lesbian sex story Afterglow About this lesbian romance Anna went onto the balcony of her third story apartment in the nude to stand in the breeze She gazed across the street at the two family home trying to catch a glimpse of her new neighbor Since she had moved in with her family Anna couldn't spend a single day without thinking of her In the evening the neighbor usually grabbed a book and headed out to the terrace with a glass of what Anna assumed to be white wine The setting evening sun gave her and her long blonde hair a slightly reddish tint What a beautiful afterglow The sunset made her look even more irresistible Anna was charmed by the stranger's perfect body and the playful tumble of her hair

2 Lesbian sex story Athletic Performance About this lesbian romance She only ever felt truly free when she could go running because after a short while her body was flooded with endorphins She felt light and exhilarated when she was running Listening to her favorite songs she followed the rhythm letting it push her even more When she got back to the boulevard she noticed a young woman running in the opposite direction This puzzled her as there were not many people she met on her daily route especially not in these temperatures It was unusual that she had never met this stranger before They nodded to one another briefly as was customary amongst runners It was then that Angelina noticed the runner's maroon eyes as they flashed at her to add a charming glance during their mutual greeting
