**Soundtrack Series Frozen: Let It Go** Disney Book Group, 2019-09-03 This deluxe storybook features song lyrics from one of the most memorable moments from Disney's Frozen plus gorgeous stylized illustrations that capture the magic from the animated film Includes a CD with a karaoke instrumental track and a sing along track perfect for little readers who can't stop singing Let It Go Children and Materialities Casey Y. Myers, 2019-06-17 This book makes the case for young children as

both keenly materially aware of and highly dependent on sets of interrelated material discursive circumstances It argues that long term engagement with children around the topic of meaning matter relations upends many taken for granted notions of consumption self regulation knowledge production and what constitutes quality of life within a school setting The book provides complex accounts of agency on multiple scales the capability of children to shape and share research the force of objects stuff and things to impact the social workings of a classroom and the impact of nonhuman animals on the trajectory of the ways in which children relate to each other This work makes a significant contribution to both theoretical conceptions and practical enactments of childhoods productively addressing the many contradictions inherent in a posthuman and participatory approach to researching with young children It also offers insights into how the everyday materialities of children's classrooms and their complex representations are capable of disrupting the common sense order of things *Let*

*It Go (from Frozen)*, 2014-03 Easy Piano Easy piano arrangement with lyrics of the blockbuster hit single from Disney's animated feature Frozen **Apocalypse Daddy** Mark Fielding, 2023-02-28 Enough already Who ripped your fun out of

fatherhood When did parenting become a war of attrition Didn't you get the memo Being a dad is the best damn thing that will ever happen to you It's the story of a lifetime It's your own personal Once Upon a Time You're the director The screenwriter You write the first act the second act the third act Do you want a happy beginning middle and end Then write one But you're going to have to work for it Push yourself beyond what you believe possible Invest in your daughter Invest in your son Invest in yourself When your kids' time comes and if Epictetus has taught us anything their time will come when they grow up no matter what will they know you tried your best Will you have kept those promises you made at 3 a.m. in the dark on a chill Tuesday morning in April as you sang lullabies into the delicate ear of that sleeping fragile lump of life you call your daughter I'm like you I'm a father I'm a parent I want what's best for my kids And I'll go to the end of the world to make that a reality Because it's not the end of your world but what if it was The Apocalypse Daddy isn't your traditional guide to fatherhood You'll find zero nappy reviews You won't read about car seats and bottle feeding and how to manage your sleep

You won't get a breakdown of the latest gadgets or the top 5 fatherhood mishaps. They'll be nothing about pregnancy or which pushchair to buy. I don't care what's on your breakfast menu. You'll get something much better than that. Something much more actionable and powerful. You'll get a reminder that the best stories are written in childhood. You'll get a story about Quentin Tarantino and *Reservoir Dogs* and Stoicism and the ancient courts and emperors and Seneca and Diogenes and Epictetus and Aurelius. You'll learn about the power of running circles in your backyard and playing in grass with your children. You'll read about the magic of sleep deprivation and dreams of running and jumping and playing of holidays and the never-ending chaos that always ends too soon. Part love letter to his children, part alternative parenting guide, part stoic meditation, part psychotic breakdown, *Apocalypse Daddy* is the story of a father and his daughter and how one Spring can last a lifetime. *Joining Apocalypse Daddy* is a cast of cultural icons: scientists, musicians, dead kings, and Schrödinger's cat. Can Buddha, Seneca, Epictetus, Bob Dylan, Diogenes, Richard Nixon, Peter Rabbit, Alfred Hitchcock, Jimi Hendrix, and Hunter S. Thompson help *Apocalypse Daddy* overcome the odds and bring education home? Is there enough time for Alice and Luca to teach *Apocalypse Daddy* about the meaning of life and what being a parent is really about? *Undistracted: In the moment*

**The Oxford Handbook of the Disney Musical** Dominic Broomfield-McHugh, Colleen Montgomery, 2025. The Oxford Handbook of the Disney Musical brings together scholars from a range of disciplines to interrogate an enduringly popular and influential cultural phenomenon. Broadening the purview of extant scholarship while also reflecting its methodological multiplicity, this collection takes an expansive approach to the Disney musical. From animated musical shorts to Disney video games, the Handbook acknowledges that the Walt Disney Company uses the musical across a range of media and explores what that means culturally, commercially, and technologically. The chapters cover case studies from the classical *Alice in Wonderland*, *Bambi*, and more contemporary *Aladdin*, *Frozen II*. Eras acknowledge the importance of theme parks, television, and video games to Disney's success and explore cultural figures and themes. Contributors also unpack Disney's complicated relationship with race, gender, and sexuality, and the company's recent centennial provides an apt opportunity to reflect on the importance of the musical to the conglomerate's evolution in diverse segments of the media industries. Taken together, the Handbook combines innovative original research, analyses of previously unexamined archival documents, case studies, topical discussions, and critiques of current knowledge and existing scholarship to give voice to new perspectives on this important topic. By including the perspectives of scholars from film, theater, television, musicology, children's literature, and cultural studies, serving as a multidisciplinary resource.
