## Let My People Go:

Still Letting My People Go Jack R. Davidson, 2018-07-11 Eli Washington Caruthers's unpublished manuscript *American Slavery and the Immediate Duty of Southern Slaveholders* is the arresting and authentic alternative to the nineteenth century hermeneutics that supported slavery. On the basis of Exodus 10:3, "Let my people go that they may serve me," Caruthers argued that God was acting in history against all slavery. Unlike arguments guided largely by the New Testament, Caruthers believed that the Exodus text was a privileged passage to which all thinking on slavery must conform. As the most extensive development of the Exodus text within the field of antislavery literature, Caruthers's manuscript is an invaluable primary source. It is especially relevant to historians' current appraisal of the biblical sanction for slavery in nineteenth century America because it does not correspond to characterizations of antislavery literature as biblically weak. To the contrary, an analysis of Caruthers's manuscript reveals a thoroughly reasoned biblical argument unlike any other produced during the nineteenth century against the hermeneutics supporting slavery.

*The Continental Monthly*, 1862 **Historic Negro Spirituals as Biblical Interpretation** Christa Klingbeil Dixon, 2024-12-15 Dr. Christa K. Dixon, 1935-2003, grew up during the time of World War 2, where her father, a German Confessing Church pastor, regularly visited American POW camps, and young Christa heard African American soldiers singing spirituals. Her fascination grew, but Dixon's interests became quite focused on her interest in how the famous spirituals interpreted the Bible. In the mid-1960s, Dr. Dixon earned her PhD working on *Negro Spirituals in Germany* and published the text that formed from her years of research and long-lasting passion for the spirituals she heard during her visits to the prisoner camps with her father. A work of careful analysis and scholarship, Dixon's study has since been out of print but now

newly translated and presented for an audience to rediscover In John Lovell s important 1972 monograph *Black Song The Forge and Flame* he wrote Perhaps the most intensive study of Biblical influences in the spiritual is found in Christa Dixon s *Wesen und Wandel geistlicher Volkslieder Negro Spirituals* her analyses are not only deeply intensive but quite creative In this book Drs Kim R Harris and Daniel L Smith Christopher provide not only a translation of the published German work but also contribute two new essays to accompany this timeless study as both modern critique and long overdue appreciation

**Let My People Go** Walter Fuller Taylor,1959      **Let My People Go!** David G. Drach,2022-11-03 *Let My People Go* is a prophetic call to the Church to believe and walk in the same Gospel that the first disciples believed and demonstrated in their daily lives We know that the New Testament is not written in classical Greek form It is however Hebrew in its thought pattern and sentence structures This should be anticipated as the writers were predominantly born again Spirit filled tongue talking Hebrew Christians The Message that they passed on to us must be interpreted from this perspective in order to arrive at the truths they intended to convey to us A failure to interpret and receive their writings from their perspective results in a twisting of the scriptures and a skewed distorted picture of the Gospel Message In delivering the message of the Gospel we as believers and ministers are called by God to carry the mail As the mailmen of God we have no right to change in any way the content of the Message we carry When we do this we find that there are a small number of Greek words upon which their Gospel Message is built These words become the threads of revelation that when woven together reveal the true picture of the Gospel of Jesus Christ With the exception of the apostle Paul most of the New Testament writers were not scholars but blue collar workers fishermen tax collectors etc People like us If it was not too deep for them to write it is not too deep for us to understand After all Jesus Promised that the same Holy Spirit who inspired those men would guide you into all the truth John 16 13 The Gospel of Jesus Christ is not difficult to understand but it takes courage and trust to receive it and live it as it was originally given In the end the picture of our lives must demonstrate the same Gospel as the lives of the first disciples If not we are in error and in need of change      *God Speaking in the First Person in His Kingdom* Du Bois Henry Loux,1918
