Life Orientation Papar1:

Human Aspects of Information Security and Assurance Steven Furnell, Nathan Clarke, 2023-07-25 This book constitutes the proceedings of the 17th IFIP WG 11 12 International Symposium on Human Aspects of Information Security and Assurance HAISA 2023 held in Kent United Kingdom in July 2023 The 37 full papers presented in this volume were carefully reviewed and selected from 54 submissions They are organized in the following topical sections education and training management policy and skills evolving threats and attacks social technical factors and research methods

Knowledge, Power and Young Sexualities Tamara Shefer, Jeff Hearn, 2022-07-27 This book troubles the ways young people have been constructed as trouble through critical readings of the effects and impacts politically and ideologically globally and locally of scholarship and practice directed at South African young people s sexualities over the last three decades of addressing HIV GBV and other sexual and gender justice challenges Located primarily in South Africa the book speaks to global concerns about the politics of knowledge and transnational flows of information and practice with respect to gender and sexuality and is framed by global imperatives and analyses located in transnational postcolonial and intersectional feminist frameworks The key argument developed here and explored in relation to several different forms of research and practice is that efforts to challenge HIV GBV and unequal sexual and gender practices among young people particularly as evident in heterosexual relationships have tended to reflect and reproduce re new ed orthodoxies about sexuality gender family and young people while bolstering global and local racist classist othering of certain communities and nation states and reiterating the innocence and authority of those already privileged and centred The book contributes to critical reflexive work on global practices of knowledge and its complex enmeshment with power in the terrain of sexual and gender justice work aimed at young people

A Research Agenda for Entrepreneurship and Context Friederike Welter, William B. Gartner, 2016-09-30 There is growing recognition that entrepreneurship can be better understood within its context s This carefully designed book invites readers to take a journey from reflecting critically on where the discussion on context and entrepreneurship stands today towards identifying future research questions and themes that deserve the attention of entrepreneurship scholars This collection draws attention to the research challenges the entrepreneurship field faces by reviewing the many facets of contexts and by reflecting on methods and theoretical approaches that are required in order to contextualize entrepreneurship research Students and academics interested in context and entrepreneurship will benefit from this far reaching and forward thinking book

Routledge International Handbook of Failure Adriana Mica, Mikołaj Pawlak, Anna Horolets, Paweł Kubicki, 2023-01-30 This Handbook examines the study of failure in social sciences its manifestations in the contemporary world and the modalities of dealing with it both in theory and in practice It draws together a comprehensive approach to failing and invisible forms of cancelling out and denial of future perspectives Underlining critical mechanisms for challenging and reimagining norms of success in contemporary society it allows readers
