Kundera Milan Olemisen Sietamaton Keveys:

The Unbearable Lightness of Being □□□□, 1984 Kundera's tremendously popular classic has been hailed by Newsweek as having raised the novel of ideas to a new level of dreamlike lyricism and emotional intensity It was also made into a major motion picture starring Daniel Day Lewis and Lena Olin

La Insoportable Levedad del Ser Milan Kundera, 2022-08-30 Una brillante disección del amor que se ha convertido en uno de los grandes hitos de la literatura contemporánea Más de 1 000 000 de ejemplares vendidos Un clásico de la novela contemporánea La insoportable levedad del ser narra una extraordinaria historia de amor es decir de celos sexo traiciones muerte y también de las debilidades y paradojas de Teresa Tom's Franz y Sabina cuyos destinos se entrelazan irremediabilmente Los celos de Teresa hacia Tom's el tercer amor de este por ella junto con su irrefrenable deseo de otras mujeres el idealismo de Franz amante de Sabina y la necesidad de Sabina de perseguir una libertad que sólo conduce a una insoportable levedad se convierten en una reflexión sobre los problemas filosóficos que afectan a nuestra existencia

Ignorance Milan Kundera, 2023-05-23 Kundera once more delivers a seductive intelligent entertainment with elegance and grace Washington Post Book World Nothing short of masterful Newsweek A brilliant novel set in contemporary Prague by one of the most distinguished writers of our time A man and a woman meet by chance while returning to their homeland which they had abandoned 20 years earlier when they chose to become exiles Will they manage to pick up the thread of their strange love story interrupted almost as soon as it began and then lost in the tides of history The truth is that after such a long absence their memories no longer match We always believe that our memories coincide with those of the person we loved that we experienced the same thing But this is just an illusion Only those who return after 20 years like Ulysses returning to his native Ithaca can be dazzled and astounded by observing the goddess of ignorance first hand Kundera is the only author today who can take dizzying concepts such as absence memory forgetting and ignorance and transform them into material for a novel masterfully orchestrating them into a polyphonic and moving work

Slowness Milan Kundera, 1997-04-11 Milan Kundera's lightest novel a divertimento an opera buffa Slowness is also the first of this author's fictional works to have been written in French Disconcerted and enchanted the reader follows the narrator of Slowness through a midsummer's night in which two tales of seduction separated by more than two hundred years interweave and oscillate between the sublime and the comic Underlying this libertine fantasy is a profound meditation on contemporary life about the secret bond between slowness and memory about the connection between our era's desire to forget and the way we have given ourselves over to the demon of speed And about dancers possessed by the passion to be seen for whom life is merely a perpetual show emptied of every intimacy and every joy

Immortality Milan Kundera, 1999-10-20 Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named Kundera Like Flaubert's Emma or Tolstoy's Anna Kundera's Agnes becomes an object of fascination of indefinable longing From that character springs a novel

a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence *The Joke* Milan Kundera, 1992 This is the first novel by the author of *Immortality* which won The Independent Award for Foreign Fiction in 1991 Milan Kundera is also the author of *The Book of Laughter and Forgetting* **Life Is Elsewhere** Milan Kundera, Aaron Asher, 2000-07-25 The author initially intended to call this novel *The Lyrical Age* The lyrical age according to Kundera is youth and this novel above all is an epic of adolescence an ironic epic that tenderly erodes sacrosanct values childhood motherhood revolution and even poetry Jaromil is in fact a poet His mother made him a poet and accompanies him figuratively to his love bed and literally to his deathbed A ridiculous and touching character horrifying and totally innocent innocence with its bloody smile Jaromil is at the same time a true poet He's no creep he's Rimbaud Rimbaud entrapped by the communist revolution entrapped in a somber farce

Identity Milan Kundera, 2023-04-25 Kundera master of the twosome finds erotic and existential threads everywhere in daily behavior Like his previous books *Identity* is a cluster of jeweled observations But *Identity* has a special charm suspense It gets us turning the pages in excitement and alarm and Kundera's wit keeps us turning them to the very end San Francisco Chronicle In a narrative as intense as it is brief a moment of confusion sets in motion a complex chain of events which forces the reader to cross and recross the divide between fantasy and reality Sometimes perhaps only for an instant we fail to recognize a companion for a moment their identity ceases to exist and thus we come to doubt our own The effect is at its most acute in a couple where our existence is given meaning by our perception of a lover and theirs of us With his astonishing skill at building on and out from the significant moment Milan Kundera has placed such a situation and the resulting wave of panic at the core of this novel Hailed as a fervent and compelling romance a moving fable about the anxieties of love and separateness Baltimore Sun it is not to be missed **The Book of Laughter and Forgetting** Milan Kundera, 1999-04-07 Rich in its stories characters and imaginative range *The Book of Laughter and Forgetting* is the novel that brought Milan Kundera his first big international success in the late 1970s Like all his work it is valuable for far more than its historical implications In seven wonderfully integrated parts different aspects of human existence are magnified and reduced reordered and emphasized newly examined analyzed and experienced *Immortality* Milan Kundera, 2023-04-25 New York Times Bestseller Inspired Kundera's most brilliantly imagined novel A book that entrances beguiles and charms us from first page to last Cleveland Plain Dealer Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named Kundera Like Flaubert's *Emma* or Tolstoy's *Anna* Kundera's *Agn* becomes an object of fascination of indefinable longing From that character springs a novel a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence **The Festival of Insignificance** Milan Kundera, 2023-07-18 Slender but weighty What is moving about this novel is its embrace of what has always driven Kundera the delicate state of living

between being and nothingness Boston Globe From the internationally acclaimed bestselling author of The Unbearable Lightness of Being an entertaining and enchanting novel a fitting capstone on an extraordinary career Slate Casting light on the most serious of problems and at the same time saying not one serious sentence being fascinated by the reality of the contemporary world and at the same time completely avoiding realism that s The Festival of Insignificance Readers who know Milan Kundera s earlier books know that the wish to incorporate an element of the unserious in a novel is not at all unexpected of him In Immortality Goethe and Hemingway stroll through several chapters together talking and laughing And in Slowness Vera the author s wife says to her husband you ve often told me you meant to write a book one day that would have not a single serious word in it I warn you watch out Your enemies are lying in wait Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work A strange sort of summation Strange sort of epilogue Strange sort of laughter inspired by our time which is comical because it has lost all sense of humor What more can we say Nothing Just read

The Unbearable Lightness of Being Milan Kundera,1987 A young woman in love with a man torn between his love for her and his incorrigible womanizing one of his mistresses and her humbly faithful lover *Laughable Loves* Milan Kundera,1999-08-25 Milan Kundera is a master of graceful illusion and illuminating surprise In one of these stories a young man and his girlfriend pretend that she is a stranger he picked up on the road only to become strangers to each other in reality as their game proceeds In another a teacher fakes piety in order to seduce a devout girl then jilts her and yearns for God In yet another girls wait in bars on beaches and on station platforms for the same lover a middle aged Don Juan who has gone home to his wife Games fantasies and schemes abound in all the stories while different characters react in varying ways to the sudden release of erotic impulses

The Curtain Milan Kundera,2007-12-26 A magic curtain woven of legends hung before the world Cervantes sent Don Quixote journeying and tore through the curtain The world opened before the knight errant in all the comical nakedness of its prose In this thought provoking endlessly enlightening and entertaining essay on the art of the novel renowned author Milan Kundera suggests that the curtain represents a ready made perception of the world that each

of us has a pre interpreted world The job of the novelist he argues is to rip through the curtain and reveal what it hides Here an incomparable literary artist cleverly sketches out his personal view of the history and value of the novel in Western civilization In doing so he celebrates a prose form that possesses the unique ability to transcend national and language boundaries in order to reveal some previously unknown aspect of human existence **Life Is Elsewhere** Milan

Kundera, Aaron Asher, 2023-06-27 I will say no more about this lacerating book except to urge it upon all who care about literature in our difficult era Boston Globe A sly and merciless lampoon of revolutionary romanticism Kundera commits some of the funniest literary savaging since Evelyn Waugh polished off Dickens in A Handful of Dust Time Milan Kundera initially intended to call this novel The Lyrical Age The lyrical age according to him is youth and this novel above all is an epic of adolescence an ironic epic that tenderly erodes sacrosanct values childhood motherhood revolution and even poetry Jaromil is in fact a poet His mother made him a poet and accompanies him figuratively to his love bed and literally to his deathbed A ridiculous and touching character horrifying and totally innocent innocence with its bloody smile Jaromil is at the same time a true poet He is no creep he is Rimbaud Rimbaud entrapped by the communist revolution entrapped in a somber farce

Laughable Loves Milan Kundera, 2023-05-23 An intellectual heavyweight and a pure literary virtuoso Milan Kundera takes some of Freud's most cherished complexes and irreverently whirls them about in acts of legerdemain that capture our darkest deepest human passions The tales in *Laughable Loves* surprise and illuminate Kundera's world is complex full of mockeries and paradoxes Life is often brutal and humiliating it is often blasphemous funny irritating Cleveland Plain Dealer Milan Kundera is a master of graceful illusion and illuminating surprise In one of these stories a young man and his girlfriend pretend that she is a stranger he picked up on the road only to become strangers to each other in reality as their game proceeds In another a teacher fakes piety in order to seduce a devout girl then jilts her and yearns for God In yet another girls wait in bars on beaches and on station platforms for the same lover a middle aged Don Juan who has gone home to his wife Games fantasies and schemes abound in all the stories while different characters react in varying ways to the sudden release of erotic impulses **The Joke** Milan Kundera, 2023-03-28 A thoughtful intricate ambivalent novel with the reach of

greatness in it John Updike It is impossible to do justice here to the subtleties comedy and wisdom of this very beautiful novel Milan Kundera is an artist clearly one of the best to be found anywhere who says that the good and evil that issues from men's souls matters much more than the deeds of a State And he says it with passion with good humor and with love Salman Rushdie All too often this brilliant novel of thwarted love and revenge miscarried has been read for its political implications Now more than a quarter century after *The Joke* was first published and several years after the collapse of the Soviet imposed Czechoslovak regime it becomes easier to put such implications into perspective in favor of valuing the book and all Milan Kundera's work as what it truly is great stirring literature that sheds new light on the eternal themes of human existence This edition provides English language readers an important further means toward revaluation of *The Joke* For

reasons he describes in his Author's Note Milan Kundera devoted much time to creating a completely revised translation that reflects his original as closely as any translation possibly can reflects it in its fidelity not only to the words and syntax but also to the characteristic dictions and tonalities of the novel's narrators The result is nothing less than the restoration of a classic

Jacques and His Master Milan Kundera, 2023-07-18 A deliciously witty and entertaining variation on Diderot's novel *Jacques le Fatalist* written for Milan Kundera's private pleasure in the aftermath of the Russian invasion of Czechoslovakia When the heavy Russian irrationality fell on Czechoslovakia Milan Kundera explains he felt drawn to the spirit of the eighteenth century And it seemed to me that nowhere was it to be found more densely concentrated than in that banquet of intelligence humor and fantasy *Jacques le Fataliste* The upshot was this Homage to Diderot which has now been performed throughout the United States and Europe Here *Jacques and His Master* newly translated by Simon Callow is a text that will delight Kundera's admirers throughout the English speaking world **The Book Of Laughter And Forgetting** Khushwant Singh, Milan Kundera, 2004-08-01 This book is a novel in the form of variations The various parts follow each other like the various stages of a voyage leading into the interior of a theme the interior of a thought the interior of a single unique situation the understanding of which recedes from my sight into the distance It is a book about laughter and about forgetting about forgetting and about Prague about Prague and about the angels *The Book of Laughter and Forgetting* is the most secret of Kundera's novels This new translation is the first to be authorized by Milan Kundera
