century campaigns of colonial conquest was not fought in isolation Along with the two Anglo Pedi wars the Ninth Cape
Frontier War and the Northern Border War it was one in a brutal series of interconnected and overlapping wars which the
British waged between 1877-1879 to crush and disarm the remaining independent black states of South Africa Fusing the
widely differing African and European perspectives on events the author probes the fateful decisions taken by statesmen and
military commanders analyses military operations and their destructive impact on combatants and civilians alike and explores
