Life Lessons I Learned from My Dogs Laurie Bowen,2025-01-30 Dogs are filled with love and loyalty and they have life lessons to teach us too This rare gem of a memoir will show you how to listen Recovery begins when we learn how to be quiet and who better to teach that lesson than a dog There s a good reason that dogs are used to comfort victims in courtrooms that they work with therapists to improve a patient s outcome that they re taken into schools or used as emotional support animals A dog will never judge you only shower you with love loyalty and comfort and they feel your

feelings Dogs are incredibly intuitive animals and when we tune into them we can tune into ourselves and find the strength inside us to overcome the hardest things Laurie Bowen knows this very well and she wouldn't be the person she is today without the lessons she's learned from her dogs and the love they've given her over the years Diagnosed with complex post traumatic stress disorder and attention deficit hyperactivity disorder from trauma she's found her way to a place of peace and begun to work through the experiences that have traumatized her soothing her most painful wounds by spending time with animals and listening to the lessons they've had to show her In this raw and vulnerable memoir she reflects on her relationships with her dogs over the years and explores old wounds offering hope inspiration and valuable life lessons to anyone who's experienced terrible trauma or sadness No matter what you've been through you have an inner strength that can carry you toward peace and recovery and listening to the lessons that dogs have to teach us can show you the way Through her emotional and vulnerable memoir Laurie Bowen reflects on her own experiences and shares the life lessons she's learned through her dogs in the hopes that you too may benefit Delve into someone else's history to explore your own restorative journey Scroll up and click Add to Cart right now *Paws for Praise* Carol Casale, 2017-09-18 Paws for Praise is about Cassy a Westie Poo dog who captured her owner's heart opened her eyes in a unique way to a richer understanding of God Spiritual applications in each entertaining story depict profound lessons our dogs/pets teach us Life/love lessons compel in this pet devotional It is light yet deep pawfectly delightful Lessons from a Sheep Dog Phillip Keller, 1989-04-30 In this classic modern day parable about a man and his transforming love for his dog Lass bestselling author Phillip Keller paints a vivid picture of God's love for the unlovable When Philip Keller and his wife decide to become sheep farmers in British Columbia Philip realizes that he needs a sheep dog to help him manage his herd When Philip brings home Lass the dog is anything but cooperative and Philip considers just returning the dog to its original owner but as time passes and the dog begins to trust him everything begins to change Woven just under the surface of this simple parable Keller presents profound spiritual truth in his story of the worthless animal thought to be untrainable who ultimately becomes a magnificent and valuable sheep dog similar to how God's love can transform our worst characteristics into blessings that serve to further His Kingdom As Lass's relationship with Philip begins to improve so does Philip's relationship with his Savior Fractured for quite some time he is able to restore and renew his faith as he works to train his beloved dog Lessons from a Sheep Dog is A modern classic with over 200 000 copies in print A short easy read with 7 lessons containing simple yet profound spiritual insights to grow your faith Ideal for use as a devotional or for study groups Small giftable size perfect as a holiday stocking stuffer A profoundly moving and challenging book highlighting the depth of trust God desires from his people allow yourself to see Biblical truth in this classic tale of what can happen when you yield to the Master Dog Talk Harrison Forbes, Beth Adelman, 2008-09-30 DOG TALK chronicles Harrison Forbes's life with dogs from the first bond he formed as a boy with a Belgian Tervuren named Sabina to the story of Lex a police dog who attacked his owner's wife and was redeemed by

Harrison's intense love and respect for the breed. Forbes also offers practical aspects of understanding and dealing with whatever type of dog the reader may have. In DOG TALK the pet owner will find fascinating insights into behavioral problems as each chapter addresses a different situation or issue. Here are some of Harrison's trademark insights into dog behavior and training. Energy management is the basis of behavior management; unwanted or aggressive behavior is often the result of pent-up frustrated energy. Dog behavior should always be taken in context: a dog that is housetrained in its home isn't necessarily so everywhere else. Every dog's make-up is individual and distinct: a combination of nature and nurture. Non-verbal communication structure and clearly delineated limits and the human-canine bond are basic building blocks in a good relationship. Reasonable expectations are key to an enjoyable pet experience. DOG TALK is at times funny, irreverent, insightful and touching, and it will deepen the reader's understanding of dog behavior and as a result will enable him to approach his own dog in a fresh and motivated way to begin improve, mend or strengthen a relationship that can last a lifetime.

What is Your Dog Teaching You? Martin McKenna, 2013. From the best-selling author of WHAT'S YOUR DOG TELLING YOU, a set of lessons gleaned from canine friends which may just save your life. Martin McKenna, the Dog Man, has learned plenty from the dogs he grew up with and from the dogs he now owns. He firmly believes that dogs hold the key to human happiness and well-being and that they can help us to be better people if we only learned how to learn from them. Over the years he has counselled countless people in doggy lore in how to be more relaxed, more confident, less aggressive, more loyal, how to make the most out of life, how to use routine to clear your head and many other useful modes of behaviour. In this book he runs through the many lessons dogs can teach us via colourful anecdotes about hounds and their owners. Be warned: Not everyone is up to the task of learning from their dog.

Lessons from Tara David Rosenfelt, 2015-07-21. David Rosenfelt's loyal readers of the Andy Carpenter series are familiar with Tara, the golden retriever sidekick. Many also got to know Tara from Dogtripping, David's nonfiction book about becoming a slightly nutty dog rescuer and the dog that started it all. Here finally is a book all about the inspirational canine who taught David everything he knows. Well, he did know how to tie his shoes before he met and came to love Tara, but that's about it. Through Tara, David learned about dating, about being able to share his emotions and also about everyday stuff like who gets to use the pillow if several dogs are sleeping in your bed, clue. It's not the human and why random barking will never be something that can be eliminated. *Lessons From Tara* is infused with David's trademark wry and self-deprecating sense of humor and will move readers to tears and laughter.
