## **Lester Sumrall Biography:**

The Life Story of Lester Sumrall Lester Sumrall, 2003-03-01 For sheer entertainment he was hard to beat The Man of a Thousand Stories and the quick smile also stored up spiritual power from the Lord and the result of all these characteristics was that Lester Sumrall worked to advance the gospel for a staggering 65 years A leader This giant of Pentecostal circles never saw himself that way preferring to steamroll through projects God had for him From his hilarious beginnings as a teenage preacher staring at a roomful of bemused farmers to his final work as director of global food outreach Sumrall lived with no regrets This look back at his life is by turns funny poignant and inspiring In this day of denominational partnership which Sumrall would no doubt have loved Christians of all backgrounds will enjoy the passion and power of a most remarkable life Sumrall passed away in 1996 but not before preparing the ministry for that event He worked to the last to feed the souls and bodies the passions of his extraordinary life I daily realize that I cannot fill my father's shoes but I find myself walking in his footsteps sharing his love for the lost pasturing the church he founded leading the areas of ministry that God first entrusted him and believing and trusting God to direct us and give us strength to complete all that He has called us to do Let me encourage you to arise and continue to trust Him Stephen Sumrall Photo Section **My Story to His Glory** Lester Sumrall, 1983 Golden gospel years Lester Sumrall renowned missionary evangelist and pastor tells his life story in this golden anniversary celebration of his years in the gospel ministry He describes his dramatic call to preach and recounts his far reaching adventures as a missionary and evangelist Back cover *Legacy of Faith* Lester Sumrall, 1999-09-01 Journey through a legacy of faith with Dr Lester Sumrall This pictorial book captures over 65 years of faith filled ministry to over 120 countries The impact of which is still powerful and influential today Wigglesworth: The Complete Story Julian Wilson, 2011-08-01 Bestselling biography of the Apostle of Faith Smith Wigglesworth In the two thousand years since the birth of Christianity few individuals have made such an impact on the world for the Gospel as the Yorkshire born plumber turned evangelist Smith Wigglesworth Multitudes were saved worldwide as he ministered and miracles of healing and deliverance occurred that have rarely been witnessed since the days of the apostles **Revising Pentecostal History** Rakel Ystebo Alegre, Torbjorn Aronson, David M. Gustafson, 2024-11-12 Modern Pentecostalism in America began around the turn of the twentieth century and most historians of this history have drawn from the available English language sources Very few historians of American Pentecostalism knew of source materials in the Scandinavian languages of Norwegian and Swedish This present volume argues that American Pentecostal history cannot be understood apart from both the texts and the people who participated in and contributed to the Pentecostal movement in America including first generation immigrants from Scandinavia and second generation Scandinavian Americans *Revising Pentecostal History* describes ways in which Scandinavian Americans have contributed to and played a role in the development of the Pentecostal movement The volume presents crucial findings from rarely if ever used sources that inform how American Pentecostalism is understood These

findings prompt a revising of Pentecostal history      Biographical Books, 1950-1980 R.R. Bowker Company. Department of Bibliography, 1980      *Age of the Spirit* John Maiden, 2022-12-06 This expansive study offers an interpretation of the new Pentecost the rise of charismatic Christianity before during and after the long 1960s It examines the translocal actors networks and media which constructed a Spiritscape of charismatic renewal in the Anglo world contexts of Australia the British Isles Canada New Zealand South Africa and the United States It places this arena also in a wider and dynamic worldwide setting exploring the ways in which charismatic imaginations of an age of the Spirit were shaped by interpenetrations with the Third World the Soviet Bloc and beyond in the global Sixties and Seventies *Age of the Spirit* explains charismatic developments within Protestantism and Catholicism mainline and non denominational churches and within existing pentecostalisms and places these in relation to lively scholarly themes such as secularisation authenticity and cosmopolitanism It offers an unrivalled analysis of charismatic music books television conferences personalities community living and controversies in the 1960s and 1970s It looks forward to the many global legacies of charismatic renewal for example in relation to the politics of sexuality in the Anglican Communion or to support for President Donald J Trump The essential question at the heart of this book is relevant for scholars and practitioners of Christianity alike how did charismatic renewal transform the churches in the twentieth century moving from the periphery to the mainstream      Healing Through Jesus Rebekah Prewitt, When disease is impurity why should you ever believe that you will be sanctified by having a great deal of sickness Smith Wigglesworth If you are battling with a sickness of any kind plague disease infection virus etc have you employed the spiritual means God has given for your physical healing In *Healing Through Jesus* the reader will find help by learning how to operate in faith on a practical level for healing Having faith means to be fully persuaded of the things of God This kind of faith is concrete and can be used unlike some sort of abstract intangible faith that does not yield results      Charisma and Christian Life , 1993      The Limits of Meaning Matthew Engelke, Matt Tomlinson, 2006-08-01 Too often anthropological accounts of ritual leave readers with the impression that everything goes smoothly that rituals are meaningful events But what happens when rituals fail or when they seem meaningless Drawing on research in the anthropology of Christianity from around the globe the authors in this volume suggest that in order to analyze meaning productively we need to consider its limits This collection is a welcome new addition to the anthropology of religion offering fresh debates on a classic topic and drawing attention to meaning in a way that other volumes have for key terms like culture and fieldwork      **Dictionary of International Biography** , 2007 A biographical record of contemporary achievement together with a key to the location of the original biographical notes      The Manuscript Inventories and the Catalogs of Manuscripts, Books, and Periodicals: Book catalog, A-Chal Arthur and Elizabeth Schlesinger Library on the History of Women in America, 1984      God's Generals Roberts Liardon, 2011-03-31 In his fourth *God's Generals* volume Roberts Liardon chronicles God's great healing evangelists of the twentieth century Journey with such paragons of faith as Oral Roberts one

of the most influential Christian leaders in the twentieth century Roberts had a healing ministry that spread from rural tent meetings to a world class university hospital and medical school Lester Sumrall after being miraculously healed of tuberculosis as a boy Sumrall dedicated the rest of his life to sharing the gospel and God's healing power with audiences around the world both in person and through television broadcasts Charles and Frances Hunter often called the Happy Hunters Charles and Frances were known around the world as two of the most anointed and enthusiastic evangelists on earth George Jeffreys this Welsh Pentecostal preacher ministered along with his brother Stephen at camps conventions and church meetings across England and Ireland with reports of miraculous healings and other acts of God accompanying them F F Bosworth a Depression era Pentecostal faith healer and one of the founders of the Assemblies of God Bosworth was known during the 1920s for his interdenominational big tent revivals and large auditorium healing meetings As you read about the lives of these ministry pioneers your faith for signs and miracles will grow as you anticipate seeing God's mighty hand move in the church today *American Book Publishing Record* ,2003 [Biography and Genealogy Master Index](#) ,1996
