Williamson,1981      **Heaven for a Dime** Dwight Allan Moody,2002-10-27 A fascinating account of six years in the life of a pastor and his family Inside History offers an insider's glimpse into one of the most interesting churches in the south Humor tragedy crime and conversion are just a few of the elements of this narrative that make it a compelling read Written to provide primary source material for the cultural and religious history of the region the book is also a frank description of how a minister and his family endured the public and private pressures of the ministerial calling Effective as a preacher and controversial as a leader Dr Moody is also exceptionally skilled as a writer as this book will demonstrate You will laugh and cry as you read his narrative of six years in the ministry      **If I Could Do Church Again, Form #17.067** Brook Stockton,2023-09-03 Guide on how to improve your church Written for pastors      **The Living Church** ,2004

**Ministerial Ethics** Joe E. Trull,James E. Carter,2004-03-01 Ministerial Ethics provides both new and experienced pastors with tools for sharpening their personal and professional decision making skills The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to provide a clear statement of the ethical obligations contemporary clergy should assume in their personal and professional lives Trull and Carter deal with such areas as family life confidentiality truth telling political involvement working with committees and relating to other church staff members First published in 1993 this edition has been thoroughly updated throughout and contains expanded sections on theological foundations the role of character confidentiality and the timely topic of clergy sexual abuse Appendices describing various denominational ministerial codes of ethics are included      Criswell O. S. Hawkins,2024-04-02

When the name W A Criswell is read or heard certain thoughts come to mind Many likely remember him as a president of the Southern Baptist Convention or the founder of the Criswell College in Dallas Texas or the senior pastor for five decades of one of the largest Baptist churches in America or even one of the key figures during the Conservative Resurgence All of these are acknowledgments of the importance of the life of Criswell but these do not necessarily capture who he was as a man as a husband as a father as a friend and mentor O S Hawkins was closely mentored by Criswell and was his pastoral successor In Criswell His Life and Times Hawkins takes on the task of capturing the life of one of the most important figures in modern Baptist history He discusses his humble upbringing the dedication of his parents to ensure he received a proper education his early years as a pastor and how his love for the church influenced those around him over the course of his life It is a biography that is both admiring and honest and written with the knowledge of someone who could only know Criswell as a friend and a mentor      *The Pastoral Search Journey* John Vonhof,2010-03-01 Most churches have sought out a new pastor many times yet search committees often feel as though they are inventing the process from scratch In The Pastoral Search Journey John Vonhof provides detailed guidance for search committees to ensure a good match between pastor and

congregation This is Vonhof's third book about the pastoral search but the first to discuss interim pastors transitions between pastors and the use of the Internet and digital media Vonhof advises congregational leaders on establishing the search committee ensuring the congregation is cared for during the pastoral vacancy conducting the congregational self study and creating an information packet finding communicating with and interviewing candidates determining selection criteria as well as evaluating and recommending candidates managing call negotiations and finally welcoming the congregation's new pastor Sample letters forms and other tools are provided
