

SAMPLE LETTER

Dear _____, My name is _____.

Why?

Explain why you wanted to write to them. Let them know that you are thinking of them - empathy will help them feel seen and remembered.

Ex My name is Ruth and I am part of Vintage Church in Santa Monica. Our church has a great relationship with the Salvation Army and our congregation often volunteers with them. I imagine it must be challenging to be alone during this time but I want you to know that you are not forgotten.

Tell them something about yourself:

Something personal and lighthearted will help them to have an instant connection. You could tell them where you are from, about your family, how long you've lived in LA for.

Ex Since the lockdown, I've been enjoying baking but my raisin yeast exploded in the jar! It became a huge mess.

You could include an encouraging bible verse:

1. Psalm 46:10 | Be still, and know that I am God.
2. Mathew 11:28 | Come to me, all you who are weary and burdened, and I will give you rest.
3. Romans 15: 13 | May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

Blessings,

Church missionary society, extracts from the annual letters of the missionaries Church missionary society, 1904

Reports and Letters of American Missionaries Vladimir A. Tsanoff, 1919 Global Protestant Missions Jenna M.

Gibbs, 2019-07-03 The book investigates facets of global Protestantism through Anglican Quaker Episcopalian Moravian Lutheran Pietist and Pentecostal missions to enslaved and indigenous peoples and political reform endeavours in a global purview that spans the 1730s to the 1930s The book uses key examples to trace both the local and the global impacts of this multi denominational Christian movement The essays in this volume explore three of the critical ways in which Protestant communities were established and became part of a worldwide network the founding of far flung missions in which Western missionaries worked alongside enslaved and indigenous converts the interface between Protestant outreach and political reform endeavours such as abolitionism and the establishment of a global epistolary through print communication networks Demonstrating how Protestantism came to be both global and ecumenical this book will be a key resource for scholars of religious history religion and politics and missiology as well as those interested in issues of postcolonialism and imperialism

A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1 3 and the missional church is grounded in an exposition of Eph 4 6 The author of the letter intended for the mission to the nations to be continued by the church this is the
