Life S Like That

David Baud

Life S Like That:

"*La gare de temps. A lifetime's story*" Guido Elias R. Contino, Literature and philosophy are closely intertwined in this autobiographical and symphonic novel where they are reviewed in all eras of the author's life. In it is described a descending parabola in which it appears a world once happy and serene that slowly sank into darkness and oblivion according to the classical scheme of the decline of the West as described by some authors who have been of inspiration to its author. Heidegger, Schmitt, Jünger and Spengler never mentioned expressly but invisible presences and inexorable judges of the times and the present things and those to come. It is a collection of real experiences and for which the author was inspired by the style of British writers Irvine Welsh, David King and David Lodge with a touch of Forsythe always lived by the author in first person also wants to be a kind of manual intended not as a collection of practical advice because there are many other manuals in this regard but as a lesson based on past things as a warning and teaching for future things as Herodotus wanted in his Histories. As it is written in the Gospels: Repent because the time is at hand. The time in fact is at hand. Life, 1926

Evans, 2009 Everyone knows about Noah, Moses and Paul. But what about Hagar, Michal and Priscilla, all women who had a direct influence in the story of God's people? The Bible is full of fascinating, powerful and faithful women as well as lessons that have unique meaning for women today. In *The Women's Study Bible*, respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today. Separate sidebars cover topics such as midwifery, women disciples and female images of God. *The Women's Study Bible* doesn't shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world. The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included. Book Jacket *Fourth Estate*, 1913
