Karl Lagerfeld Cassina Seen:

Cassina as Seen by Karl ,2017-07 In 2013 the distinguished Italian furniture manufacturing company Cassina invited Karl Lagerfeld to choose his favorite pieces of furniture for an unusual photographic mise en scene I had never worked on a project like this before To visually reinterpret examples of perfect design is completely new for me and therefore stimulating exciting even Before Lagerfeld's lens iconic chairs tables and chaise longues by Modernist legends such as Le Corbusier Rietveld and Perriand condense to their absolute abstract essence In his inimitably sleek and sophisticated photographs Lagerfeld reveals the form in Formalism Here furniture is seen in an atypical decontextualized mode of presentation detached from its usual environment isolated and dramatically lit like a sculpture The result is a tenderly chosen compendium of twenty one images that respects the artistic intentions of the designers while simultaneously creating a new aesthetic

Karl Lagerfeld Alfons Kaiser,2022-02-08 A must have for every aficionado Vogue the definitive biography of Karl Lagerfeld the last iconic fashion designer and celebrated creative director of Chanel It starts with me and it ends with me Karl Lagerfeld stylized himself into a living logo and a myth of the fashion world In *Karl Lagerfeld A Life in Fashion* journalist Alfons Kaiser who knew Lagerfeld personally for many years introduces readers to the public and private life of the charismatic fashion designer Kaiser explores the many eras of Lagerfeld's life the youthful outsider in the north German flatlands the urbane genius in Paris the tireless draftsman the enthusiastic photographer the passionate book collector and the disciplined Prussian workaholic What is behind this larger than life figure who despite a massively public persona kept his own life story a secret Drawing from many previously untapped sources this biography investigates the man behind the persona the precocious boy who preferred to draw in the attic than play with his peers the son who quarreled with his parents but never got away from them Yves Saint Laurent's competitor whom he outshone in the end the brother uncle friend and finally the partner of Jacques de Bascher the great love of his life

abstracting it into a series of white curves grey planes silhouetted against black sky and strips of light so that the pavilion itself is often not recognisable The Container is composed of interconnected segments that not only echo natural forms but allow it to be dismantled and transported This was another starting point for Lagerfeld who photographed the Containers segments during fabrication The book also includes three DVDs with film footage of the Container in the different urban landscapes of Hong Kong Tokyo and New York
