New Interpretations in Naval History Marcus O. Jones, 2016 *The Cambridge Review*, 1899 *The Emergence of Pragmatic Markers from Chinese Compounds in Chinese, Japanese and Korean*, 2025-10-02 The Emergence of Pragmatic Markers from Chinese Compounds in Chinese Japanese and Korean offers a new perspective on the evolution of pragmatic markers in language contact and grammaticalization drawing on data driven and diachronic studies of Chinese compounds All the contributors to this volume address the issue of whether compounds of Chinese origin have grammaticalized into discourse markers or pragmatic markers from their earlier lexical forms either similarly across these languages or in distinct language specific ways The findings presented in this volume suggest that the written contact based grammaticalization in these East Asian languages is fundamentally different from the spoken contact based grammaticalization reported in many previous studies

Consumerism and Prestige Anthony Enns,Bernhard Metz,2022-07-05 This anthology explores the relationships and interdependencies between literary production and distinctions of taste by examining how the material aspects of literary texts such as the cover binding typography and paper stock reflect or even determine their cultural status In many cases for example the distinctions between highbrow and lowbrow taste have little to do with the content of the texts themselves as books often function as markers of socioeconomic status like clothing or home decor One might even go so far as to say that the concept of literary taste is more closely related to fashion sense than critical judgment The anthology seeks to address this claim by examining how the tensions between consumerism and prestige reflect fundamental historical changes with regard to the development of technology literacy and social power **Papers and Reports Presented to the Connecticut Historical Society at the Annual Meeting** Connecticut Historical Society,1922 The Publisher ,1910 **The Spectator** ,1894 **Quarterly Index of Additions to the Milwaukee Public Library** Milwaukee Public Library,1900
