German Translation and Composition Aenid Picton, 1925 Muslim Women in Austria and Germany Doing and Undoing Gender Constanze Volkmann, 2018-10-01 Constanze Volkmann develops an innovative new gender theory labeled doing and undoing gender Based on empirical findings she examines the highly debated intersection of gender and Islam The analysis of interviews with various Muslim women unravels the many different ways in which gender is done and undone Especially with regard to potential gender hierarchies the results reveal that the category gender is irrelevant to many Muslim women and is even used as a means to foster their status and power as women This book makes a substantial contribution to a differentiated social debate at eye level with Muslim women Germany After Unification Gert-Joachim Glaessner, 1996
