Free Gift Inside!! Stephen Brown, 2003-11-07 Free Gift Inside offers an alternative solution to the difficulty of selling to an already sated and sophisticated consumer Based on the article Torment Your Customers They ll Love It which Harvard Business Review chose as one of 2002 s Six Breakthrough Ideas A new concept that turns marketing on its head and offers a more effective answer to customer relationship management and permission marketing

Stand-Up Preaching Jacob D. Myers, 2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker s bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience s expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials

preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance *Social Dancing in America: Lindy Hop to Hip Hop, 1901-2000* Ralph G. Giordano,2007 Describes the history of social dancing in the United States from the complicated early set dances to modern breakdancing and the recent revival of swing discussing how why and with whom Americans have danced **Culture, Language, and the First Amendment** ,2008 **Subject Guide to Books in Print** ,2001 *Irish America* ,2001 *Stand-up Comedy, Theology, and Ethics* Jacob D. Myers,Nicole Graham,2025-09-04 Bringing together the distinct but connected disciplines of theology and ethics Stand up Comedy Theology and Ethics adds to the growing field of humor and religion Beginning by re considering what we know about jokes and laughter the authors propose that more attention needs to be paid to the quasi sacramental magical quality of jokes and the ways laughter can shift the affective states of an audience They then turn their attention to key issues and debates within stand up comedy First is the comical legitimacy or illegitimacy of comedians who employ humor ambiguously so that we are not sure at who or what they are punching Second is the phenomenon of canceling comedians for their behavior off stage Third is the sociopolitical possibilities of stand up Ultimately the authors argue that there is theological religious and ethical significance to contemporary stand up comedy **The Upside of a Downside** Kent Kloepping,2006 Kent Kloepping contracted paralytic poliomyelitis in 1945 at the age of seven Though he would never walk again he refused to let this event define the rest of his life His family friends and community treated him like any able bodied person and this was the treatment he expected and demanded after he graduated from high school and left his hometown Being disabled isn t really funny in and of itself says Kloepping But precisely because of the disability I have experienced observed or been told of amusing even hilarious situations He shares those stories here helping us understand the challenges faced by those with physical limitations and giving us insight into the upside of the downside *The Publishers Weekly* ,2004 *Talking Book Topics* ,2006-03
