Narcos Tome Mexican Carne:

ZeroZeroZero Roberto Saviano, 2016-08-30 An electrifying internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough Dane DeHaan and Gabriel Byrne from the author of the 1 international bestseller Gomorrah Zero zero zero flour is the finest whitest available It is also the nickname among narcotraffickers for the purest cocaine on the market And it is the title of Roberto Saviano s unforgettable exploration of the inner workings of the global cocaine trade its rules and armies and the true depth of its reach into the world economy Saviano s Gomorrah his explosive account of the Neapolitan mob the Camorra was a worldwide sensation It struck such a nerve with the Camorra that Saviano has lived with twenty four hour police protection for more than eight years During this time he has come to know law enforcement agencies and officials around the world With their cooperation Saviano has broadened his perspective to take in the entire global corporate entity that is the drug trade and the complex money laundering operations that allow it to function often with the help of the world s biggest banks The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy Saviano tracks the shift in the cocaine trade s axis of power from Colombia to Mexico and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe He charts the increasing sophistication of these criminal entities as they diversify into other products and markets He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth able to see connections between far flung phenomena and bind them into a single epic story Most drug war narratives feel safely removed from our own lives Saviano offers no such comfort Both heart racing and eye opening ZeroZeroZero is an investigative story like none other Praise for ZerZeroZero Saviano has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators Financial Times

Mexico George W. Grayson, 2011-12-31 Mexico was named an Outstanding Academic Title of 2010 by Choice Magazine Bloodshed connected with Mexican drug cartels how they emerged and their impact on the United States is the subject of this frightening book Savage narcotics related decapitations castrations and other murders have destroyed tourism in many Mexican communities and such savagery is now cascading across the border into the United States Grayson explores how this spiral of violence emerged in Mexico its impact on the country and its northern neighbor and the prospects for managing it Mexico s Institutional Revolutionary Party PRI ruled in Tammany Hall fashion for seventy nine years before losing the presidency in 2000 to the center right National Action Party PAN Grayson focuses on drug wars prohibition corruption and other antecedents that occurred during the PRI s hegemony He illuminates the diaspora of drug cartels and their fragmentation analyzes the emergence of new gangs sets forth

President Felipe Calderón's strategy against vicious criminal organizations and assesses its relative success Grayson reviews the effect of narcotics focused issues in U S Mexican relations He considers the possibility that Mexico may become a failed state as feared by opinion leaders even as it pursues an aggressive but thus far unsuccessful crusade against the importation processing and sale of illegal substances Becoming a failed state involves two dimensions of state power its scope or the different functions and goals taken on by governments and its strength or the government's ability to plan and execute policies The Mexican state boasts an extensive scope evidenced by its monopoly over the petroleum industry its role as the major supplier of electricity its financing of public education its numerous retirement and health care programs its control of public universities and its dominance over the armed forces The state has not yet taken control of drug trafficking and its strength is steadily diminishing This explosive book is thus a study of drug cartels but also state disintegration

Violence, Coercion, and State-Making in Twentieth-Century Mexico Wil G. Pansters, 2012-05-30 Mexico is currently undergoing a crisis of violence and insecurity that poses serious threats to democratic transition and rule of law This is the first book to put these developments in the context of post revolutionary state making in Mexico and to show that violence in Mexico is not the result of state failure but of state making While most accounts of politics and the state in recent decades have emphasized processes of transition institutional conflict resolution and neo liberal reform this volume lays out the increasingly important role of violence and coercion by a range of state and non state armed actors Moreover by going beyond the immediate concerns of contemporary Mexico this volume pushes us to rethink longterm processes of state making and recast influential interpretations of the so called golden years of PRI rule Violence Coercion and State Making in Twentieth Century Mexico demonstrates that received wisdom has long prevented the concerted and systematic study of violence and coercion in state making not only during the last decades but throughout the post revolutionary period The Mexican state was built much more on violence and coercion than has been acknowledged until now

Victim Activists in Mexico Yael Siman, Matthew Hone, 2024-09-03 Victim Activists in Mexico Social and Political Mobilization amid Extreme Violence and Disappearances examines the collective action of the courageous family members of the disappeared in the midst of Mexico's ongoing humanitarian crisis over the last decades Yael Siman and Matthew Hone analyze this grassroots mobilization and argue that the activists have created routine contentious and innovative types of resistance through building local and trans local links of support and solidarity that reinforce their struggle This mobilization from below has contributed to constructing transitional justice including laws public apologies and memorials The combination of internal and external factors impacting the collectives and their environment has enabled significant changes in the institutions state responses and the victimhood narratives in the country This book adds to the scholarship on the collective action of grieving families by focusing on both the social and political aspects of mobilization

Cosas Linda Grant Niemann, 2018-02-15 Love and friendship art and craft language and culture are the subjects of this look back at one woman's experiences in Mexico over a period of twenty years

What first propels Linda Grant Niemann south are the migrants she encounters in her job as a railroad brakeman in the Southwest. She decides to learn Spanish and in Mexico she soon meets some surprising kindred spirits. An admirer of craft and expertise, Niemann seeks out individual artists who make exquisite things: Otomi papermakers, the families who produce the famous ceramics of Mata Ortiz, the man in Michoacán who knows how to fashion full-size jaguar thrones in bent cane. Some of her searches lead her to tiny villages and to artists who seldom get to meet their own fans. Niemann wonders if she is experiencing an ordinary shopaholic's obsession or if this is something more. The something more reveals itself as the connection of one artist to another.

The Border Reader Gilberto Rosas, Mireya Loza, 2023-09-18. The Border Reader brings together canonical and cutting-edge humanities and social science scholarship on the US-Mexico border region. Spotlights the vibrancy of border studies from the field's emergence to its enduring significance; the essays mobilize feminist, queer, and critical ethnic studies perspectives to theorize the border as a site of epistemic rupture and knowledge production. The chapters speak to how borders exist as regions where people and nation-states negotiate power, citizenship, and questions of empire. Among other topics, these essays examine the lived experiences of the diverse undocumented people who move through and live in the border region; trace the gendered and sexualized experiences of the border; show how the US-Mexico border has become a site of illegality where immigrant bodies become racialized and excluded; and imagine anti- and post-border futures. Foregrounding the interplay of scholarly inquiry and political urgency stemming from the borderlands, The Border Reader presents a unique cross-section of critical interventions on the region. Contributors: Leisy J. Abrego, Gloria E. Anzaldúa, Martha Balaguera, Lionel Cantón, Leo R. Chavez, Raúl Fernández, Rosa Linda Fregoso, Roberto G. Gonzales, Gilbert G. González, Ramón Gutiérrez, Kelly Lytle Hernández, José E. Limón, Mireya Loza, Alejandro Lugo, Eithne Luibhí, Martha Menchaca, Cecilia Menjivar, Natalia Molina, Fiamma Montezemolo, Américo Paredes, Nstor Rodríguez, Renato Rosaldo, Gilberto Rosas, María Josefina Saldaña Portillo, Sonia Saldaña Hull, Alicia Schmidt Camacho, Sayak Valencia, Triana Carlos, G. V. Ibez, Patricia Zavella.

The Border Lords T. Jefferson Parker, 2011-01-11. For fans of Michael Connelly and CJ Box, the fourth suspenseful and thrilling novel in the Charlie Hood series from New York Times bestseller and Edgar Award winner T. Jefferson Parker. Now featuring an excerpt from his upcoming novel *The Room of White Fire*, Charlie Hood searches for an undercover agent who has disappeared only to resurface in a haunting series of bizarre and inexplicable video tapes. The trail leads Charlie into the fevered landscape of America's southern border and the unexplored depths of humanity's dark soul.
