The Business of Sports Betting Becky Harris,John T. Holden,Gil Fried,2024-02-29 With the repeal of the Professional and Amateur Sports Protection Act in 2018 regulated sports betting has exploded in the United States with more than half the states adopting legalized sports betting and many more poised for business As a result career opportunities with sportsbook operators and venues sport leagues teams and sponsors and gaming regulatory agencies abound for today s students The arrival of *The Business of Sports Betting* introduces the first dedicated text written by a team of academic faculty and internationally recognized experts in the field covering every aspect of the sports betting industry It begins with a historical overview of sports betting and key legislation that has led to legalized betting today Included are the various types of wagers available to bettors the sports in which betting can take place and the industry s major stakeholders Next readers will examine the multiple layers of sports betting regulations in the United States and the interplay between federal laws state authorization and tribal governance Regulatory frameworks in the United States United Kingdom and Canada are covered as well as compliance focal points addressing anti money laundering regulations placement of wagers and the Bank Secrecy Act The book then warns of the negative aspects of the business such as illegal sports betting gambling scandals and match fixing the risks associated with illegal betting and harm from problem gambling To combat these risks guidelines are presented for protecting against illegal gambling minimizing potential harms and ensuring integrity in sports betting Next students learn the how tos of establishing operating and marketing a sportsbook Traditional brick and mortar sportsbooks are discussed in detail including the many facility management considerations that come with operating and maintaining a physical venue Students also learn about the various mobile sportsbooks available today including websites kiosks and phone apps how they operate and their connection to and interaction with physical sportsbooks In addition the authors present marketing and advertising strategies for acquiring customers and forging relationships with teams leagues and sportsbooks Special attention is given to the American Gaming Association s Responsible Marketing Code for Sports Wagering and its compliance considerations for sportsbook operators Sports wagering is a data driven business and students will see how data are generated and transmitted to sportsbook operators Managing and protecting that data is paramount to competitive advantage and students will learn

about intellectual property protections granted to sportsbook operators Additionally the book discusses the proliferation and potential positive and negative impacts of gamification and virtual currencies in sports betting Chapters are punctuated with supplemental sidebars and case studies providing real life examples of the positive and negative impacts of sports betting The Business of Sports Betting offers a comprehensive introduction to the nuances of the sports betting industry including the key players regulatory environment marketing and technology drivers and business operations of a sportsbook
