**Fenwick on Civil Liberties & Human Rights** Helen Fenwick, Richard Edwards, 2016-11-25 More than merely describing the evolution of human rights and civil liberties law this classic textbook provides students with detailed and thought provoking coverage of the most crucial developments in the field clearly explaining the law in context and practice Updated throughout for this new edition Fenwick on Civil Liberties and Human Rights considers a number of recent major changes in the law in particular proposals to replace the Human Rights Act with a British Bill of Rights and the Counter Terrorism and Security Act 2015 whilst also contextualising the impact of reforms on hate speech and contempt due to advances in new media Comprehensive and authoritative this textbook offers an essential resource for students on human rights or civil liberties courses as well as a useful reference for students and scholars of UK Public Law

**Trade Policy Review**, 2020     Monetary Wisdom Thomas Li-Ping Tang, 2024-05-16 Money is the instrument of commerce and a measure of value Globalization has created economic prosperity for citizens around the world These challenges have changed how people work live and do business Monetary Wisdom Monetary Aspirations and Decision Making presents an excellent collection of innovative and a multi cultural view of how money has affected decision making not only at an individual level but at organizational level This book discusses the powerful motivators of money and the connection to ethical decision making both in organizations and social life Inspires readers to learn one of the world s most often used money attitude measures Notices that in modern societies money is power at the individual level Suggests that monetary aspirations not money itself predict cheating Profiles that reducing stress curbs dishonesty directly and indirectly Illustrates that leaders promote employees honesty and creativity Reveals how corruption expands prospect theory to a global level Explores the contexts to achieve balanced aspirations and serenity

**Counter-Insurgency in Nigeria** Akali Omeni, 2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017 Based on extensive fieldwork conducted with military units in Nigeria Counter Insurgency in Nigeria has two main aims First it seeks to provide an understanding of the Nigerian military s internal role a role that today

as a result of internal threats pivots towards counter insurgency The book illustrates how organizational culture historical experience institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work s analysis of the air force s role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general The Publishers' Circular and Booksellers' Record ,1915
