

The MidYIS test

- MidYIS stands for Middle Years Information System and is currently operating in over 3000 secondary schools.
- Tests are designed to measure ability and aptitude for learning rather than achievement.
- Not an IQ Test, as it is designed to provide a measure of 'typical' performance which can be used to give an expected level of attainment at GCSE based on the national average results.

Midyis Practice Papers:

From Able to Remarkable Robert Massey, 2019-10-04 In *From Able to Remarkable* Help your students become expert learners Robert Massey provides a pathway to help teachers guide their students through the gauntlets of the gifted the underpasses of underachievement and the roadblocks to remarkable on their learning journeys What makes remarkable students remarkable Attributes such as resilience curiosity and intelligence may come to mind and we might also add others such as intuition and tenacity But what has helped make them what they are Were they born this way or did their remarkabilities emerge during their schooling Such questions may make teachers feel uneasy prompting them to reflect on the sometimes limiting scope of what is often labelled as gifted and talented provision in their school Robert Massey argues however that these remarkabilities are there latent and dormant in many more students than we might at first acknowledge In *From Able to Remarkable* Robert shares a rich variety of practical cross curricular strategies designed to help teachers unearth and nurture these capabilities and signpost a route to the top for every learner Informed by educational research and evidence from the field of cognitive science the book talks teachers through a wide range of effective teaching and learning techniques all of which are appropriate for use with all pupils and not only with top sets or high attainers Robert also shares ideas on how teachers can improve their students abilities to receive respond to and then deliver feedback on both their own work and that of others To complement the feedback process he presents practical methods to help teachers make questioning self review and greater student ownership of their questioning within lessons a staple of day to day classroom interaction Venturing beyond the classroom the book also explores approaches to whole school provision for high attaining students and offers some robust stretch and challenge to educational leaders in considering what widespread excellence in education might look like Suitable for teachers and gifted and talented coordinators in both primary and secondary schools

Testing and Assessment Great Britain. Parliament. House of Commons. Children, Schools and Families Committee, 2008 Testing and Assessment Third report of session 2007 08 Vol 2 Oral and written Evidence

Cross-Linguistic Transfer of Writing Strategies Karen Forbes, 2020-10-19 In the context of increasingly multilingual global educational settings this book provides a timely exploration of the phenomenon of cross linguistic transfer of writing strategies in particular transfer from the foreign language to the first language and presents a compelling case for a multilingual approach to writing pedagogy The book presents evidence from a classroom based intervention study conducted in a secondary school in England on cross linguistic strategy transfer It suggests that even beginner or low proficiency foreign language learners can develop effective skills and strategies in the foreign language classroom which can also positively influence writing in other languages including their first language This book ultimately encourages more joined up cross curricular cross linguistic thinking related to language in schools by exploring the potential for collaboration between languages teachers

Girlhood, Schools, and Media Michele Paule, 2016-09-13 This book explores the circulation and

reception of popular discourses of achieving girlhood and the ways in which girls themselves participate in such circulation It examines the figure of the achieving girl within wider discourses of neoliberal self management and post feminist possibility considering the tensions involved in being both successful and successfully feminine and the strategies and negotiations girls undertake to manage these tensions The work is grounded in an understanding of media educational and peer contexts for the production of the successful girl It traces narratives across school television and online in texts produced for and by girls drawing on interviews with girls in schools online forum participation within the purpose built site [www smartgirls tv](http://www.smartgirls.tv) and girls discussions of a range of teen dramas **Sooner, Faster, Better Reading for All** Diane Montgomery,2023-10-05
