Civic Education for SS 1-3 Nigeria. Federal Ministry of Education, 2009 Education and Democracy in China Zhou Ying, 2023-12-11 In this book Ying Zhou argues that educational reform filled a critical role in bridging the precarious gap between democratic ideals and political realities in late Qing and Republican China where institutional change in education and the cultivation of a qualified citizenry were two sides of the same coin in the development of democratic education Through a multi level analysis of the re arrangements of national education and teachings of citizenship Zhou unravels the complex political and educational nexus in China between 1901 1937 where the hope of education was to bring both political modernity and social progress **The Course of Study in Civics, Grades One to Six for the Public Schools of Philadelphia** Philadelphia (Pa.). Board of Public Education, 1918 **Civic Education Across Countries** Judith Torney-Purta, John Schwille, Jo-Ann Amadeo, 1999 Kerry Kennedy and John Hughes The Course of Study in Civics ... for the Public Schools of Philadelphia, 1917 *Nationalism and History Education* Rachel Hutchins, 2016-02-26 History education by nature transmits an official version of national identity National identity is not a fixed entity and controversy over history teaching is an essential part of the process of redefining and regenerating the nation France and the United States have in particular experienced demographic and cultural shifts since the 1960s that have resulted in intense debates over national identity This volume examines how each country s national history is represented in primary schools social studies textbooks and curricula and how they handle contemporary issues of ethnicity diversity gender socio economic inequality and patriotism By analyzing each country separately and comparatively it demonstrates how various groups including academics politicians and citizen activists have influenced education and how the process of writing and rewriting history perpetuates a nation Drawing on empirical studies of the United States and France this volume provides insight into broader nationalist processes and instructive principles for similar countries in the modern world **Colorado Teachers College Education Series**, 1928 *The Education of Minorities in Africa, the Caribbean, and the Middle East* Cynthia Szymanski Sunal, Oluseyi Matthew Odebiyi, Kagendo Mutua, 2025-05-30 This book explores efforts to adapt curricula for minority students in Africa the Caribbean and the Middle East It covers education from early childhood to university addressing ethnicity class gender and ability disability Researchers document challenges and critical issues in providing relevant public education to minorities *Primary Education, Popular Educator*, 1927 **Curriculum Studies in the Social Sciences and Citizenship** Earle Underwood Rugg, 1928 **Globalization, Nationalism, and Music Education in the Twenty-First Century in Greater China** Wai-Chung Ho, 2025-10-01 Globalization Nationalism and Music Education in the Twenty First Century in Greater China examines the recent developments in school education and music education in Greater China Mainland China Hong Kong and Taiwan and the relationship between and integration of national cultural identity and globalization in their respective school curriculums Regardless of their common history and cultural backgrounds in recent decades these

localities have experienced divergent political cultural and educational structures Through an analysis of the literature official curriculum documents approved music textbooks and a survey questionnaire and in depth interviews with music teachers this book also examines the ways in which policies for national identity formation and globalization interact to complement and contradict each other in the context of music education in respect to national and cultural values in the three territories Wai Chung Ho s substantive research interests include the sociology of music China s education system and the comparative study of East Asian music education Her research focuses on education and development with an emphasis on the impact of the interplay between globalization nationalization and localization on cultural development and school music education
