## **Keeping The Republic Sixth Edition:**

**Keeping the Republic: Power and Citizenship in American Politics, 6th Edition The Essentials** Christine Barbour, Gerald C. Wright, 2013-01-15 Keeping the Republic's lively discussion of who gets what and how develops students' critical thinking abilities in the intro American government course. Every section and every feature in the book has one goal in mind: to get students to think critically and be skeptical of received wisdom. Serving as a true aid to teachers, each chapter is designed to build students' analytical abilities by introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship. This proven text builds confidence in students who want to take an active part in their communities and government to play their part in keeping the republic and to consider the consequences of that engagement.

**Keeping the Republic** Christine Barbour, Gerald C. Wright, 2013-01-15 View the interactive ebook here. The power of critical thinking and interactivity artfully weaving in the analytic theme of power and the evaluative theme of citizenship. Barbour and Wright deftly draw students into thinking critically about how and why institutions and rules determine who wins and who loses in American politics. At the core of Keeping the Republic's engaging discussion of who gets what and how is the objective of helping students become actively engaged critical thinkers. Each section and every feature in the book has one goal in mind: to get students to think analytically and be skeptical of received wisdom. It doesn't matter how students get their news and information from a popular blog or a traditional media outlet. Barbour and Wright give students the tools they need to be thoughtful, savvy consumers of political information and data. With the publication of the sixth edition, Keeping the Republic is now a full-fledged integrated Media Edition. When students purchase a new print copy of the book, they receive FREE access to an enhanced ebook. Through a series of icons, students link to multimedia assets including audio, video, data, articles, reference, and CQ Researcher reports right where it matters most: on the exact page where a topic is discussed. Students can immediately take a deeper dive and explore an important concept or idea while reading. Instructors will appreciate that assessment is built into the functionality of the ebook. Students take chapter quizzes and work through CLUES to Critical Thinking questions with all quiz results and answers feeding an instructor gradebook to efficiently track participation and comprehension. It's an enhanced, enriching, and interactive learning experience. By introducing students to the seminal work in the field, showing them how to employ the themes of power and citizenship, and taking full advantage of what multimedia can add to the learning experience, this proven text builds confidence in students who want to take an active part in their communities and government to play their part in keeping the republic.
