

A technical line drawing of an engine cylinder head and intake manifold assembly. A knock sensor, depicted as a blue hexagonal bolt, is shown being installed into a pre-drilled hole in the cylinder head. A blue corrugated hose, representing the intake manifold, is connected to the side of the cylinder head. A blue cylindrical component, likely a valve or seal, is also visible on the cylinder head. Labels with leader lines identify the 'cylinder housing', 'intake manifold', and 'knock sensor'.
