Taking Care of the Future Oliver Pattenden, 2018-03-06 Taking Care of the Future examines the moral dimensions and transformative capacities of education and humanitarianism through an intimate portrayal of learners volunteers donors and educators at a special needs school in South Africa and a partnering UK based charity Drawing on his professional experience of inclusive education in London Oliver Pattenden investigates how systems of schooling regularly exclude and mishandle marginalized populations particularly exploring how street kids and poverty afflicted young South Africans experience these dynamics as they attempt to fashion their futures By unpacking the ethical terrains of fundraising voluntourism Christian benevolence human rights colonial legacies and the post apartheid transition Pattenden analyzes how political economic and social aspects of intervention materialize to transform the lives of all those involved Andrew

Marvell Matthew C. Augustine, 2021-03-18 This book provides an accessible account of the poet and politician Andrew Marvell s life 1621 1678 and of the great events which found reflection in his work and in which he and his writings eventually played a part At the same time considerable space is afforded to reflecting deeply on the modes and meanings of Marvell s art redressing the balance of recent biography and criticism which has tended to dwell on the public and political aspects of this literary life at the expense of lyric invention and lyric possibility Moving beyond the familiar terms of imitation and influence the book aims at reconstructing an embodied history of reading and writing acts undertaken within a series of complex physical and social environments from the Hull Charterhouse to the coffee houses and print shops of Restoration London Care has been taken to cover the whole of Marvell s career in verse and prose even as the book places the lyric achievement at the centre of its vision *Knit Together: Many Colors, One Life* Jacqueline Smallbones, 2014-07-02 Life is a

mosaic of many colors woven together by the Master Weaver If we re fortunate we ll see the whole one day I was fortunate Knit Together is personal a random collection of stories from my infancy to adulthood The stories whether humorous or serious playful or honest document my journey towards healing and wholeness as I learned to walk in the Way of Jesus

Enlightened Oxford Nigel Aston, 2023-09-19 Enlightened Oxford aims to discern establish and clarify the multiplicity of connections between the University of Oxford its members and the world outside to offer readers a fresh contextualised sense of the University s role in the state in society and in relation to other institutions between the Williamite Revolution and the first decade of the nineteenth century the era loosely describable though not without much qualification as England s ancien regime Nigel Aston asks where Oxford fitted in to the broader social and cultural picture of the time locating the University s importance in Church and state and pondering its place as an institution that upheld religious entitlement in an ever shifting intellectual world where national and confessional boundaries were under scrutiny Enlightened Oxford is less an inside history than a consideration of an institutional presence and its place in the life of the country and further afield While admitting the degree of corporate inertia to be found in the University there was internal scope for members so

inclined to be creative in their teaching open new research lines and be unapologetic Whigs rather than unrepentant Tories For if Oxford was a seat of learning rooted in its past and with an increasing antiquarian awareness of its inheritance yet it had a surprising capacity for adaptation a scope for intellectual and political pluralism that was not incompatible with enlightened values Robots That Love Judith A. Markowitz, 2025-10-30 In a world of increasingly sophisticated AI the relationship between creator and creation has shifted Robot lovers coexist with humans and the boundaries of emotion and consciousness are blurred This book considers the fundamental challenge of imbuing robots with the capacity to experience love delving into the consequences of loving robots that can only feign reciprocation and philosophical questions about sentience and consciousness Other forms of artificial lovers are also discussed ranging from ChatGPT and Samantha from the 2013 film *Her* to a variety of sex dolls monsters golems and romanceable characters in dating simulation games Such entities encompass an array of sexual and gender identities as well as gender biases involved in creating the perfect artificial companion and developing AI systems These biases often perpetuated by deep learning algorithms underscore the need for critical reflection amid the evolution of AI
