Japan Business Law Handbook Volume 1 Strategic Information and Basic Laws IBP, Inc.,2012-02-22 Japan Business Law Handbook Strategic Information and Basic Laws **Japan Special Economic Zones Handbook - Strategic Information and Regulations** IBP, Inc.,2016-01-03 2011 Updated Reprint Updated Annually Japan Special Economic Zones Handbook **Deepening EU-Moldovan Relations** Michael Emerson,Denis Cenusu,2016-08-11 The signing of the Association Agreement and DCFTA between Moldova and the European Union in 2014 was a strategic political act to deepen the realisation of Moldova's European choice Of all the EU's eastern neighbours Moldova is objectively the most European on several accounts including sharing a common history language culture and border with its direct neighbour and now EU member state Romania This signifies highly positive foundations for making a success of the Agreement notwithstanding the major political and economic challenges that contemporary Moldova faces The purpose of this Handbook is to make the legal content of the Association Agreement clearly comprehensible It covers all the significant political and economic chapters of the Agreement and in each case explains the meaning of the commitments made by Moldova and the challenges posed by their implementation A unique reference source for this historic act this Handbook is intended for professional readers namely officials parliamentarians diplomats business leaders lawyers consultants think tanks civil society organisations university teachers trainers students and journalists The work has been carried out by two teams of researchers from leading independent think tanks CEPS in Brussels and the Expert Grup in Chisinau with the support of the Swedish International Development Agency Sida It is one of a trilogy of Handbooks with the other two volumes examining similar Association Agreements made by the EU with Ukraine and Georgia **The Oxford Handbook of International Climate Change Law** Cinnamon P. Carlarne,Kevin R. Gray,Richard Tarasofsky,2016-03-24 Climate change presents one of the greatest challenges of our time and has become one of the defining issues of the twenty first century The radical changes which both developed and developing countries will need to make in economic and in legal terms to respond to climate change are unprecedented International law including treaty regimes institutions and customary international law needs to address the myriad challenges and consequences of climate change including variations in the weather patterns sea level rise and the resulting migration of peoples The Oxford Handbook of International Climate Change Law provides an unprecedented and authoritative overview of all aspects of international climate change law as it currently stands with guidance for how it should develop in the future Over forty leading scholars and practitioners set out a comprehensive understanding of the legal issues that surround this vitally important but still emerging area of international law This book addresses the major legal dimensions of the problems caused by climate change not only in the content and nature of the international legal frameworks which need implementation at the national level but also the development of carbon trading systems as a means of reducing the costs of meeting emission reduction targets After an introduction to the field the

Handbook assesses the relevant institutions the key applicable principles of international law the international mitigation regime and its consequences and climate change litigation before providing perspectives focused upon specific countries or regions The Handbook will be an invaluable resource for scholars students and practitioners of international climate change law It provides readers with diverse perspectives bringing together interpretations from different disciplines countries and cultures

Competition Law in Kenya Brenda Pamela Mey, 2017-11-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of competition law and its interpretation in the Kenya covers every aspect of the subject the various forms of restrictive agreements and abuse of dominance prohibited by law and the rules on merger control tests of illegality filing obligations administrative investigation and enforcement procedures civil remedies and criminal penalties and raising challenges to administrative decisions Lawyers who handle transnational commercial transactions will appreciate the explanation of fundamental differences in procedure from one legal system to another as well as the international aspects of competition law Throughout the book the treatment emphasizes enforcement with relevant cases analysed where appropriate An informative introductory chapter provides detailed information on the economic legal and historical background including national and international sources scope of application an overview of substantive provisions and main notions and a comprehensive description of the enforcement system including private enforcement The book proceeds to a detailed analysis of substantive prohibitions including cartels and other horizontal agreements vertical restraints the various types of abusive conduct by the dominant firms and the appraisal of concentrations and then goes on to the administrative enforcement of competition law with a focus on the antitrust authorities powers of investigation and the right of defence of suspected companies This part also covers voluntary merger notifications and clearance decisions as well as a description of the judicial review of administrative decisions Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in the Kenya will welcome this very useful guide and academics and researchers will appreciate its value in the study of international and comparative competition law
