

The background of the entire image is a deep red color. Scattered across this background are numerous keys of various shapes and sizes, some appearing as dark silhouettes and others as lighter, more detailed outlines. The keys are oriented in different directions, creating a sense of randomness and discovery. The central text is contained within a solid black rectangular box.

Keys To Better Preaching:

Keys to Better Preaching John Garlock, 2000 Mr Garlock brings a balanced approach to the art of preaching focusing on principles that Jesus Himself used Few homiletics texts deal with the nitty gritty details of delivery explained in this unique how to preacher s handbook Keys to Better Preaching John Garlock, 1992 Pastoral Visitation Tyler C. Arnold, 2023-01-25 Christ comes to and through his people Many consider pastoral visitation antiquated and impractical People seem busier than ever and technology appears to trivialize personal contact As a result personal visits are often reserved only for the gravest of situations Tyler C Arnold argues that pastoral visitation is essential to the pastoral role In Scripture God visits his people to show his personal interest and concern This is seen most clearly in the incarnation Christ s ministry is one of presence But Jesus is not only an example of visitation ministry he is the embodiment of it And in visitation pastors and laypeople continue Jesus s ministry by bringing Christ to the individual in their very place of need Established in strong theological foundations and sensitive to contemporary concerns Pastoral Visitation exhorts pastors to return to this classic method of individual soul care Arts and Preaching Sunggu A. Yang, 2021-09-03 In our highly sensory and interactive age how might drawing upon various arts music film architecture dramatic performance painting fashion and more expand the aesthetic experience and mode of preaching This book presents a critical practical answer to the question As our society becomes more visually oriented art seeking and body positive the practice of preaching is likewise challenged to demonstrate the mind body word visual and artistic proclamation of the Sacred after all isn t the writing of the Bible itself highly art full and aesthetic In this book Sunggu A Yang a seasoned preacher and experienced teacher of preaching encourages preachers to utilize their unique artistic talents as critical sources of theological and homiletical imagination and as hermeneutical perspectival tools to aid their rigorous exegetical process of interpreting Scripture eventually toward artistic holistic sermon composition and delivery A sample syllabus included in the appendix will greatly assist any preaching instructor who wants to offer a creative course on arts and preaching Keys to Knowing God Better Graham Fitzpatrick, 1989 The Works of John Jewel ...
