request from Sri Babaji Nagaraj an ascended master He asked her to work with her friend mentor and business partner Ivonne Delaflor Alexander to create a book that could be shared with humanity in order to facilitate a global awakening Unplug Your Mind is the final product of the messages received by telepathic transmission and recorded by Delaflor Alexander from such masters as Jesus Lord Maitreya Hermes Mary Magdalene and many more ascended gestalts of consciousness Dokter also provides commentary and explanations of her own experience of walking through the sacred messages These messages exposing secrets of hidden societies governmental organizations and those of the powerful elite communicate clear recommendations and suggestions for how to unplug from this fifteen dimensional time matrix system where the mindset of humanity has been controlled for thousands of years through cultural and religious indoctrination

The Invisible Rainbow Arthur Firstenberg, 2020-02-28 The most misunderstood force driving health and disease The story of the invention and use of electricity has often been told before but never from an environmental point of view The assumption of safety and the conviction that electricity has nothing to do with life are by now so entrenched in the human psyche that new research and testimony by those who are being injured are not enough to change the course that society has set Two increasingly isolated worlds that inhabited by the majority who embrace new electrical technology without question and that inhabited by a growing minority who are fighting for survival in an electrically polluted environment no longer even speak the same language In *The Invisible Rainbow* Arthur Firstenberg bridges the two worlds In a story that is rigorously scientific yet easy to read he provides a surprising answer to the question How can electricity be suddenly harmful today when it was safe for centuries
