Paper 1 - UK Geographical Issues - Fieldwork - Work Booklet

Topic

1. Suggest a simple question or hypothesis for the students to explore in their investigation.

Has the amount of water discharged in the morning increased since the earthquake?

The first part of this response is good although there is a bit less of a focus on the data, which could be developed to make the point clear and present a clearer point for the point. The second part of this response is good about the data and the subsequent data provided, a point.

Do not leave things unexplained. Looking at the data, which is significant in the data, why might this happen?

1. Suggest a simple question or hypothesis for the students to explore in their investigation.

Has the amount of water discharged in the morning increased since the earthquake?
