Men Of Smithfield Adam And Holden:

Men of Smithfield: Adam and Holden LB Gregg, 2012-11-26 Holden Worthington's globetrotting days are over Once the host of a popular adventure show he hasn't ventured past his own front door in more than a year Then the arrival of a sexy new gardener sparks something Holden hasn't felt in a very long time an interest in the world outside his window Holden tries to resist the attraction But painfully shy yet definitely interested Adam Morgan has Holden longing to conquer his debilitating anxiety and live again After a grisly discovery on the grounds of the estate the town of Smithfield turns a suspicious eye on the reclusive Holden and the two men must trust in each other to bring the truth out in the open Previously published newly revised by author 55 000 words

Max and Finn L.B. Gregg, 2022-11-29 When I walked out of his office after the hottest sex of my life I thought I'd left Max Douglas behind me forever along with my favorite argyle socks and my self respect The last thing I need is the too serious too sexy former Marine living across the hall from me while he acts as a bodyguard for one of my students Especially since he fired me from my job tutoring his brother after we hooked up I shouldn't want him I should despise him after the way he treated me But he's exactly my type older experienced in control and it's obvious the lust is still mutual While I may not be able to keep our relationship strictly professional I'm determined to keep it purely physical But when the stalker threats escalate it looks like Max is going to be sticking around the school for a while and the more I get to know him the more I'm in danger of losing my heart Previously published newly revised by author 39 000 words
