# MENTATS OF DUNE

The cover art is a detailed illustration. In the foreground, a person wearing a red robe and a turban stands with their back to the viewer, looking out over a calm body of water. The water reflects the colors of the sky and the distant structures. In the middle ground, there are several large, domed buildings with intricate architectural details, including smaller domes and arches. These buildings are situated on a low island or peninsula. In the background, a massive, bright planet with a ring system dominates the sky, casting a warm glow over the scene. The sky is a mix of orange, yellow, and purple hues. The overall atmosphere is one of mystery and grandeur.
