Leograndis, 2006 Are you puzzled by pacing According to the NCEE standards as well as some state standards it's an essential writing skill But what is pacing And how do you teach it Denise Leograndis has the answers to those questions and in *Fluent Writing* she shares with you how this seemingly new area of instruction offers a breakthrough opportunity to improve your students writing *Text Savvy* Sarah Daunis, Maria Cassiani Iams, 2007 What strikes me about this wonderful book is that the authors not only tell us what they did in their classrooms they make sure that we know how to do what they did At the end of this book you will know exactly why weekly shared reading works and how to do it in your classroom Janet Angelillo Author of *Writing About Reading* If only upper elementary teachers had a tool like shared reading that supports the comprehension work their students do in reading workshop and read aloud one that helps children transition from teacher led instruction to independent work In fact they do because with minimal adjustments shared reading can be just as effective in grades 3-6 as it is in the primary grades *Text Savvy* shows you how to make it work in your classroom *Text Savvy* helps you implement a consistent manageable shared reading framework with the sophistication and wider variety of entry points that upper elementary students need Sarah Daunis and Maria Cassiani Iams present a five day shared reading structure called weekly shared reading that engages students foundational reading skills and helps them build on what they've learned Best of all weekly shared reading is an ideal approach to studying genres as well as an opportunity for consistently supporting reading skills across the content areas With weekly shared reading *Text Savvy* introduces you to a powerful teaching and

learning tool that can change how you approach many aspects of your teaching Let Daunis and Iams show you how weekly shared reading can help students integrate five essential reading skills in order to understand a variety of texts in a variety of genres actually make additional time for student assessment by introducing the power and possibilities of assessing on the run support classrooms with a wide range of readers learning styles and proficiencies offer substantial support to students in test preparation and test taking give learners new entrees into the content of the subject areas and give teachers a smart framework to use throughout the curriculum Present students smart structured and scaffolded opportunities to delve deeply into texts Read Text Savvy use weekly shared reading and reinforce the strategies and skills that you teach in other aspects of your reading curriculum Then watch as your students improve their use of reading strategies and develop the independence they need to grow as readers

How to Align Literacy Instruction, Assessment, and Standards Nancy L. Akhavan, 2004 In this book Nancy Akhavan details the stories and strategies that enabled her school to move from under performing status to one in which students achieve and teachers have a whole new understanding of targeted instruction sensitive assessment and meaningful curriculum There is much to appreciate in what she says from her attention to thinking small and understanding the power of the details her emphasis on planning and goal setting to the seriousness with which she takes the standards and incorporates them into the life of the classroom Drawing on the work of the best in the business Lucy Calkins David and Yvonne Freeman and Tony Alvarado Akhavan made professional development the heartbeat of her school as she helped her faculty understand that their work begins and ends with continuous assessment of their students Now she helps readers of her book learn how child centered assessment leads to strategic instruction how to best support multilingual learners how to organize for yearlong learning how to think through precise workshop instruction in minilessons how to develop meaningful curriculum around units of study how to create a vibrant school community where standards and accountability stem from regular assessment and examination of instructional practices Akhavan provides immediately useful information for any elementary teacher principal or curriculum developer Read her book and understand how to use standards as a way to connect meaningful instruction to students not as a bar that students have to reach or a barrier to real teaching and learning

Statement, 2012 **The Complete Year in Reading and Writing** Patty Vitale-Reilly, Pam Allyn, 2008 Grade specific books that take all the guesswork out of teaching reading and writing Each book provides a detailed curricular calendar tied to a developmental continuum and the standards Includes monthly units of study that integrate reading and writing so both work together to provide maximum support for students The units are organized around four essential components process genre strategy and conventions addressing everything students need to know about reading and writing Packed with ready to use lessons that offer exemplary teaching and continuous assessment Features a flexible framework that shows how to frame a year of teaching a unit and a lesson all easily adapted to fit the unique needs and interests of students at all levels of learning
