The Story of the Siren (Classic Reprint) E. M. Forster, 2017-11-28 Excerpt from The Story of the Siren The idea seemed good and I improved it by saying I would be left behind too to lighten the boat So the two of us were deposited outside the little grotto on a great sunlit rock that guarded the harmonies with it Let us call them blue though they suggest rather the spirit of what is clean cleanliness passed from the domestic to the sublime the cleanliness of all the sea gathered together and radiating light The Blue Grotto at Capri contains only more blue water not bluer water That colour and that spirit is the heritage of every cave in the Mediterranean into which the sun can shine and the sea flow As soon as the boat left I realised how imprudent I had been to trust myself on a sloping rock with an unknown Sicilian With a jerk he became alive seizing my arm and saying Go to the end of the Grotto and I will show you something beautiful About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
