But the case has been cold for years until an anonymous tip that's too shocking to believe leads Sam down a dark and dangerous path. Her husband Vice President Nick Cappuano knows if she can't solve this case it will haunt her for the rest of her life. She'll need the strength of their bond to pull her out of the darkness before it's too late because as the missing pieces rapidly fall into place Sam realizes the truth might just break her all the same and that her father's killer isn't done yet. **All the Year Round** Charles Dickens, 1887

With everyone who matters to Katie assuring her that Shane is one of the good guys, she feels safe to give in to the attraction that simmers between them. More than two years after a painful divorce, Shane has a life on Gansett Island that makes sense to him. Spending time with sweet, sensitive, sexy Katie Lawry makes him feel hopeful and he might be ready to risk his heart again. Surrounded by the Gansett Island community, Shane and Katie take an important step forward together, but is their new relationship strong enough to withstand an unexpected challenge? Book 10 Fatal Identity Every family has its secrets. As the first anniversary of her marriage to Vice President Nick Cappuano approaches, Lieutenant Sam Holland is dreaming of Bora Bora, sun, sand, and a desperately needed break from the DC grind. But real life has a way of intervening, and Sam soon finds herself taking on one of the most perplexing cases of her career. Government worker Josh Hamilton begs Sam to investigate his shocking claim that his parents stole him from another family thirty years ago. More complicated still, his father is none other than the FBI director. When a member of Josh's family is brutally murdered, Sam begins to question how deep the cover-up goes. Is it possible the revered director was part of a baby napping ring, and others involved are also targets? With a killer intent on deadly revenge and her team still reeling from a devastating loss, Sam's plate is full, and when Nick and their son Scotty take ill, is her dream of a tropical anniversary celebration in peril too?

Book 11 Fatal Threat With a killer on the loose, it's the worst time to be on lockdown. It's another day at the office for Washington Metro Police Lieutenant Sam Holland when a body surfaces off the shores of the Anacostia River. Before Sam can sink her teeth into the new case, Secret Service agents seize her from the crime scene. A threat has been made against her family, and nobody will tell her anything, including the whereabouts of her husband Vice President Nick Cappuano. This isn't the first time the couple's lives have been at risk, but

when a bombshell from Sam's past returns to haunt her she can't help but wonder if there's a connection With a ruthless killer out for vengeance and Nick struggling to maintain his reputation after secrets from his own past are revealed Sam tries to tie the threat to a murder that can't possibly be a coincidence And she has to get it done before her husband's career is irrevocably damaged Book 12 Fatal Chaos First the calm Then the storm Escaping D C during the dog days of summer is one of the smartest moves Washington Metro Police Lieutenant Sam Holland ever made Beach walks aren't quite as romantic with the Secret Service in tow but Sam and her husband Vice President Nick Cappuano cherish the chance to recharge and reconnect especially with a scandal swirling around the administration No sooner are they back home than a fatal drive by shooting sets the city on edge The teenage victim is barely older than Sam and Nick's son Scotty As more deaths follow Sam and her team play beat the clock to stop the ruthless killers With Nick facing his greatest challenge one that could drastically change all their lives and even end Sam's career will the mounting pressure deepen or damage their bond **Someone to Hold (Wild Widows Series, Book 2)** Marie Force, 2022-11-15 Grief brought them together Will it also tear them apart Iris Two and a half years after suddenly losing the love of my life I'm coming out of the fog of early grief and taking a hard look at the rest of my life With three young children to care for on my own while also managing their grief I haven't had a lot of time to ponder what's next for me When I think about what I really want I keep coming back to one thing Or I should say one person someone who understands what I've been through because he's been there too only his losses were far worse than mine I find myself thinking about him all the time but is he ready for the things I want I have no idea but I'm determined to find out Read Iris's story in book 2 of Marie's new Wild Widows Series *Home and Country*, 1893 Every Saturday, 1874 *Kisses* Judith Caseley, 1992-05-19 Eleventh grader Hannah talented in music but lacking in self confidence comes to realize after several unsuccessful encounters with boys the importance of being true to oneself and of looking beyond outward appearance **The Booze Route** John E.
