

KATJA LASAN

A dramatic illustration of a winged figure, possibly a cherub or angel, in a dynamic pose. The figure is dark-skinned and has large, feathered wings that are spread out, with some feathers appearing to be in motion or falling. The figure is set against a background of a dark, stormy sky with swirling clouds and a bright, glowing light source, possibly a sun or moon, creating a high-contrast, ethereal atmosphere. The overall color palette is dominated by dark purples, greys, and a bright yellowish-white light.
