Making Marriage Works By Faith Oyedepo:

Making Marriage Work Faith A. Oyedepo, 1997 God's original intent for marriage is enviable and imitable success. It was designed to work not to hit the rocks leaving its victims devastated and inconsolably heartbroken. But isn't that the story in our world today? In this book Pst Mrs Faith Oyedepo renews her effort to see homes all around the world witness unprecedented change and harmony. Unveiling tested secrets to making a marriage work, she passionately teaches that purposeful hard work is the only way to enjoy happily ever after. *Gender, Social Change and Spiritual Power* Jane E. Soothill, 2007-03-31 Charismatic Christianity is the most recent and fastest growing expression of Pentecostal religion in Sub-Saharan Africa. In Ghana's capital Accra, the charismatic churches dominate the religious scene. This book focuses on the gender discourses of Ghana's new churches and considers charismatic perspectives on womanhood, manhood, marriage and family life. Offering a fresh perspective on the organisational structures of the charismatic churches, this study looks at the leadership roles of female pastors and pastors' wives and draws attention to the links between female leaders and spiritual power. By highlighting the importance of spiritual power in interpreting gendered social change, the book sheds new light on the socio-cultural role of Ghana's new churches. *Genders, Sexualities, and Spiritualities in African Pentecostalism* Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities. In the last three decades, African Pentecostalism has emerged as one of the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural, economic and political spheres. Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations. This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa. *Rescued from Destruction* Faith A. Oyedepo, 2007 *Rescued from Destruction* is a classic testament to the unflinching faithfulness of God to His people in time of trouble. It is a message of hope brought alive to the dying world. Pst Mrs Faith Oyedepo never stops reechoing the truth that God is too faithful to fail. The single most powerful message derived from her famous encounter with God as she walked through the shadow of death. Using her ever-inspiring story, she teaches challenged believers what to do when the flood is overflowing and the pain seems unbearable. This book offers a unique blend of practical and spiritual steps to overcoming the fierce battles of the mind and holding on in the face of contrary and adverse situations. Never forget this: When God seems far away, He is not. He is too faithful to fail. *Amazing Restorations* David O. Oyedepo, 2003 *Eliminating Domestic Violence*, 2005 *O Casamento Modelo* Dag Heward-Mills, 2011-07-25 Neste volume clássico o bispo Dag Heward Mills apresenta uma extensa e prática visão a respeito do casamento.
