Mandy Yin holds all the secrets to exquisite Malaysian cooking. It is a rare treat that she's chosen to share them. Grace Dent, restaurant critic for the Guardian. A soulful tribute to Malaysian cuisine from snacks, soups and salads to rice and noodle dishes, curries and sweet things. *Sambal Shiok* is a brilliant collection of over 90 accessible recipes that were handed down from Mandy Yin's mother as well as those that she has developed for her critically acclaimed award-winning London restaurant. The recipes, such as her signature curry laksa, Penang assam laksa, Malaysian fried chicken, prawn fritters, spiral curry puffs, flaky roti canai, beef rendang, KL golden fragrant clams, sambal mapo, tofu and the perfect steamed rice, can be made for a weekday family meal, a dinner party or celebration. Malaysian food results from the unique merger over centuries of indigenous Malay ingredients with Indian spices and Chinese techniques. Every dish delicately balances sweet, sour, salty with chilli heat and a hint of bitter. With Mandy's evocative look at Malaysian food culture, her recipes and the basics of a Malaysian pantry (shrimp paste, lemongrass, tamarind and coconut milk), you can easily enjoy the most delicious Malaysian meals at home. *Sunset Recipe Annual, 1994* Sunset Books, 1994 *My Recipe for Cultural Interchange*

Sarj, 2013-01-30 In my 433-page book, I explain that all cultures can learn from each other and my goal is to help people on each side of this cultural interaction because I have experienced the complexities and misunderstandings of cultural differences and sensitivities. Insensitivities, and I want to help bridge the gaps between cultures. I know that it is necessary for international students, parents, host families, migrants and refugees to prepare themselves well before they live in another culture because I remember what I had to experience when I moved from the East to live in the West many years ago. Let me share with you some of my experiences as a traveler and Homestay mother. Some of my stories are funny and some are sad, but they are all very relevant to the realities of this experience that we all call life. I have learnt that it is inevitable that people will change as a direct result of cultural interaction and exchange, and that is why I have referred to this two-way experience as Cultural Interchange.
