Mammon And Co:

Mammon and Co E. F. Benson, 2021-04-26 E F Benson's *Mammon and Co* offers a keenly satirical examination of wealth and social ambition within the upper echelons of Edwardian society. Through the lens of the protagonist's machinations, Benson employs a sharp, witty narrative style that deftly intertwines humor and incisive social commentary. The novel reflects the anxieties and extravagances of its time, addressing themes of materialism and the moral repercussions of a life devoted to wealth accumulation. Its structure and character development showcase Benson's command of dialogue and an intricate understanding of the social hierarchies at play. E F Benson, a prominent writer of the early 20th century, was immersed in the cultural milieu of his day, which fostered his acute observations of social mores. Growing up in an affluent family and navigating elite circles, Benson's experiences informed the characters and situations in *Mammon and Co*. His literary expertise as a member of the Bloomsbury Group also imbued his work with a unique blend of humor and critique, making his insights both personal and widely resonant. This book is highly recommended for readers interested in the interplay between wealth and character within society. Benson's sharp wit and perceptive analysis provide not only entertainment but also a thought-provoking critique of the values that drive individuals in their pursuit of success. *Mammon and Co* stands as a vital exploration of the social tensions that continue to echo in contemporary discourse. **Mammon and Co** E.

Benson, 2014-04-18 *Mammon and Co* deals with personages living in the same society that was characterized by *Dodo* and *The Rubicon*. Mr Benson is thoroughly acquainted with the society in which he places the scenes of his novels of London life. In *Mammon and Co* the good genius of the tale is an American girl. The book will be found to be one of exceeding interest throughout. Mammon and Co. E. F. Benson, 2014-06-03 A classic satire on the high society of Edwardian England. E F Benson shows all of his skill as a story teller to weave a complex tale of wealth, honour and position in what appears at first to be another humorous tale of gossip and backstabbing. This novel, originally published in 1899, is being republished here together with a new introductory biography of the author. **Mammon and Co**. Edward Frederic Benson, 1910

Mammon and Co. (Esprion Classics) E. F. Benson, 2023-09-11 Edward Frederic Benson (24 July 1867 – 29 February 1940) was an English novelist, biographer, memoirist, archaeologist, and short story writer. Benson's first book published was *Sketches From Marlborough*. He started his novel-writing career with the then fashionably controversial *Dodo* (1893), which was an instant success, and followed it with a variety of satire and romantic and supernatural melodrama. He repeated the success of *Dodo*, which featured a scathing description of composer and militant suffragette Ethel Smyth, which she gleefully acknowledged, according to actress Prunella Scales, with the same cast of characters a generation later. *Dodo*, the Second (1914), a unique chronicle of the pre-1914 Bright Young Things, and *Dodo Wonders* (1921), a first-hand social history of the Great War in Mayfair and the Shires. *Mammon & Co* Edward Frederic Benson, 1904 Mammon and Co.
