Man and Superman George Bernard Shaw,2020-10-04 Man and Superman A Comedy and a Philosophy by Bernard Shaw Man and Superman is a massive drama filled with light comedy and deep philosophy based on Nietzsche s theory of the Abermensch or superman Acts I II and IV play like a romantic comedy with a bite Ann Whitefield relentlessly pursues dedicated bachelor Jack Tanner not giving up until he agrees to marry her Nobody likes Ann least of all Tanner she s a selfish bully But she is imbued with the Life Force which makes her charmingly irresistible By contrast the third act of the play takes place in hell and the main

characters take on the roles of Mozart's Don Giovanni There they engage in a long philosophical discussion about the eternal conflicts between men and women and heaven and hell This third act provides a philosophical context within which to understand the other three acts giving the comedy and romance of Acts I II and IV a deeper meaning In execution however Act III is almost always removed The third act has also been performed separately as a single act titled Don Juan in Hell

Bernard Shaw,2013-07-14 I warn you that if you attempt to repudiate your responsibility I shall suspect you of finding the play too decorous for your taste The fifteen years have made me older and graver In you I can detect no such becoming change Your levities and audacities are like the loves and comforts prayed for by Desdemona they increase even as your days do grow No mere pioneering journal dares meddle with them now the stately Times itself is alone sufficiently above suspicion to act as your chaperone and even the Times must sometimes thank its stars that new plays are not produced every day since

after each such event its gravity is compromised its platitude turned to epigram its portentousness to wit its propriety to elegance and even its decorum into naughtiness by criticisms which the traditions of the paper do not allow you to sign at the end but which you take care to sign with the most extravagant flourishes between the lines I am not sure that this is not a portent of Revolution In eighteenth century France the end was at hand when men bought the Encyclopedia and found Diderot there When I buy the Times and find you there my prophetic ear catches a rattle of twentieth century tumbrils
