Mattison, Ella Mae Matsumura, 2018-07-14 For courses in Financial and Managerial Accounting Horngren's Financial and Managerial Accounting The Managerial Chapters presents the core content of principles of accounting courses in a fresh format

designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a student experience free of obstacles. Their pedagogy and content uses leading methods in teaching students critical foundational topics and concentrates on improving student results, all tested in class by the authors themselves. With this in mind, the 6th Edition continues to focus on readability and student comprehension and takes this a step further in the managerial chapters by employing a new theme to help students see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title gives professors the resources needed to help students clear hurdles inside and outside of the classroom like never before.
