**The Philippines and France: Discovery, Rediscovery** Aileen S. Mendiola-Rau, 2019-04-01 THE DIPLOMATIC RELATIONS BETWEEN THE PHILIPPINES AND FRANCE DID NOT MERELY BEGIN OVER 70 YEARS AGO The journey of discovery began even earlier when French cartography was being developed as early routes to and around the Philippines were first being plotted by adventurous maritime explorers The cover of this book depicts this journey a French frigate bravely traverses the seas of Guillaume Delisle's 17th century world map headed eastward in search of new discoveries guided by the Philippine sun As both countries rediscover each other by building an even better relationship in the future it will be a continuous journey of both discovery and rediscovery Marine Transboundary Conservation and Protected Areas Peter Mackelworth, 2016-04-28 The marine environment does not naturally respect arbitrary international boundaries The establishment and management of transboundary marine protected areas therefore presents major governance challenges This book analyses a series of marine transboundary conservation initiatives embedded in varying contextual situations to examine the underlying reasons for their success or failure Utilising an adapted pathways of influence framework it provides insights into the development of marine transboundary conservation initiatives looking at the effectiveness of international rules international norms and discourse market forces and direct access to policy making Examples come from a wide range of jurisdictions including territorial seas continental shelves exclusive economic zones and areas beyond national jurisdiction Case studies include initiatives in the Coral Triangle West Africa Central America the Wadden Sea the Red Sea and the Mediterranean Sea In addition the authors assess the potential for developing wider international cooperation as a result of relationships forged through involvement within these marine transboundary conservation initiatives *Jamaica* International Monetary Fund. Western Hemisphere Dept., 2014-12-23 Discussions centered on the preparations for the 2015 16 budget and reforms to strengthen the financial sector and boost growth The authorities have deepened their efforts in supporting their ambitious fiscal goals by strengthening public financial management and revenue administration and they reiterated their resolve to continue containing the wage bill Steps have also been identified to advance the reform of the securities dealers and to increase the resilience of the financial system The Cooperation between China and Central&Eastern European Countries [16+1] [2012-2017] HUANG Ping, LIU Zuokui [ ], 2018-01-01 16 1 2012 2017 16 1 16 16 1 16 1 16 1 16 1 **Maritime Claims and Boundary Delimitation** Nicholas A. Ioannides, 2020-09-27 This book delves into the major developments triggered by the hydrocarbon discoveries in the Eastern Mediterranean over the last twenty years focusing on maritime boundary delimitation Examining the impact that the hydrocarbon discoveries have had on the application of the law of the sea rules by the East Med states the book looks at the new trends concerning the implementation of the law of the sea in the region The book analyses regional state practice in terms of maritime delimitation namely the conclusion of bilateral agreements based on the law of the sea rules both conventional and customary reflecting

the East Med states willingness to cooperate in order to reap the benefits of the energy windfall Alongside this analysis an outline of the hydrocarbon discoveries and the pertinent maritime activities is given as well as further coverage of the overlapping maritime claims and disputes between Greece Cyprus and Turkey on one side and Lebanon and Israel on the other Moreover the book examines the validity of maritime claims made by or through non state entities in the region namely the State of Palestine the UK Sovereign Base Areas and the so called Turkish Republic of Northern Cyprus and their potential impact on the delimitation agreements already in place The book argues that the East Med paradigm concerning the successful application of the pertinent norms in maritime delimitation proves that international law is resilient and capable of providing solutions in other turbulent regions around the globe This book will be of interest and importance to academics and students of international law professionals in the oil and shipping industries legal professionals and government agencies
