City of Dreadful Delight Judith R. Walkowitz, 2013-06-14 From tabloid exposes of child prostitution to the grisly tales of Jack the Ripper narratives of sexual danger pulsed through Victorian London Expertly blending social history and cultural criticism Judith Walkowitz shows how these narratives reveal the complex dramas of power politics and sexuality that were being played out in late nineteenth century Britain and how they influenced the language of politics journalism and fiction Victorian London was a world where long standing traditions of class and gender were challenged by a range of public spectacles mass media scandals new commercial spaces and a proliferation of new sexual categories and identities In the midst of this changing culture women of many classes challenged the traditional privileges of elite males and asserted their presence in the public domain An important catalyst in this conflict argues Walkowitz was W T Stead s widely read 1885 article about child prostitution Capitalizing on the uproar caused by the piece and the volatile political climate of the time women spoke of sexual danger articulating their own grievances against men inserting themselves into the public discussion of sex to an unprecedented extent and gaining new entree to public spaces and journalistic practices The ultimate manifestation of class anxiety and gender antagonism came in 1888 with the tabloid tales of Jack the Ripper In between there were quotidian stories of sexual possibility and urban adventure and Walkowitz examines them all showing how women were not simply figures in the imaginary landscape of male spectators but also central actors in the stories of metropolotin life that reverberated in courtrooms learned journals drawing rooms street corners and in the letters columns of the daily press A model of cultural history this ambitious book will stimulate and enlighten readers across a broad range of interests

IT'S JUST LIFE! WHY GET YOUR KNICKERS IN A TWIST? Lennie George Abraham, 2024-11-09 This book is not an intellectual book Nor is it thought provoking It is meant to be a hoot It has no plot no love story no crime no conspiracy It is stark in its simplicity In as much as I mean for it to transport the readers like a time machine back into the fifties and sixties I hope it will also help to prove the theory that a Malayalee can be found anywhere on Earth even on the edges of the forests of a little known place called Perlis in Malaya This book is about the everyday affairs in the mundane life of an ordinary person narrated in an ordinary way The subtle humour I've tried to weave into every situation should bring a smile to your face otherwise my purpose is lost As you turn the pages you're bound to find that however modest you thought life might be there are pitfalls and traps strewn your way If you can bring all these elements together season it with some entertainment and wit for it is that final component that sets apart the ordinary from the fascinating then my darlings consider yourselves lucky for you've lived a brilliant life This book is testimony to that

Mediating Criticism Roger D. Sell, 2001-12-07 In the twentieth century literature was under threat Not only was there the challenge of new forms of oral and visual culture Even literary education and literary criticism could sometimes actually distance novels poems and plays from their potential audience This is the trend which Roger D Sell now seeks to reverse Arguing that literature can still be a significant and democratic channel of human interactivity he sees the most helpful role of teachers and critics as one of mediation Through their own example they can encourage readers to empathize with otherness to recognize the historical achievement of significant acts of writing and to respond to literary authors' own faith in communication itself By way of illustration he offers major reassessments of five canonical figures Vaughan Fielding Dickens T S Eliot and Frost and of two fascinating twentieth century writers who were
